United Technologies Corporation
Annual Meeting of Shareowners
April 13, 2011 at 2:00 p.m. MST

Dear Fellow Shareowner,

The 2011 Annual Meeting of UTC Shareowners will be held on April 13, 2011.

YOUR VOTE IS VERY IMPORTANT. WE URGE YOU TO SUBMIT VOTING INSTRUCTIONS FOR YOUR SHARES OF UTC COMMON STOCK HELD THROUGH UBS AS SOON AS POSSIBLE.

The Board of Directors recommends that you vote FOR the election of each of the nominees for director, FOR Proposals 2, 3, and 4 and AGAINST Proposal 6.

CONTROL NUMBER:

You can enter your voting instructions and view the shareholder material at the following Internet site. If your browser supports secure transactions you will be automatically directed to a secure site.

<http://www.proxyvote.com/xx123456789xx>

We would like to provide additional information concerning several of the proposals that will be voted on at the Annual Meeting.

Proposal 3 is sponsored by the Board of Directors and seeks shareowner approval of amendments to the 2005 Long-Term Incentive Plan to authorize additional shares for equity-based awards to eligible employees and directors. The Board believes the 2005 Long-Term Incentive Plan as amended will continue to encourage the performance necessary to continue UTC’s strong results in future years. We recommend that you vote FOR Proposal 3.

Proposals 4 and 5 are advisory votes required under legislation adopted by Congress in 2010. Proposal 4 requests that shareowners approve on an advisory basis the compensation of the named executive officers as disclosed in UTC’s Proxy Statement. Proposal 5 is an advisory vote on the frequency in future years of the advisory vote to approve the compensation of the named executive officers. Further information concerning these proposals is included in UTC’s Proxy Statement, a copy of which is available at the web site noted below. We recommend that you vote FOR Proposal 4. No recommendation is being made by the Board of Directors on Proposal 5.

Proposal 6 is a shareowner proposal submitted by the AFL-CIO Reserve Fund based on their disclosed holdings of 679 shares of UTC Common Stock.

The proposal requests that the Board adopt a policy requiring that senior executives retain shares acquired through UTC's equity compensation plans for five years after vesting and issuance of shares, with such lockup period lapsing gradually over five years. The Board believes such a requirement is unnecessary because senior executives already hold, and are required to maintain, significant holdings of UTC Common Stock, as well as for the other reasons specified in UTC's Proxy Statement. We recommend that you vote AGAINST Proposal 6.

We urge you to carefully review the additional information concerning these proposals that is provided in your Proxy Statement.

This reminder to vote has been sent in connection with your shares of UTC Common Stock held through UBS Hartford. If you also hold shares of UTC Common Stock through another account, you should receive a separate communication from the firm administering those holdings that explains how to vote those shares. For shares held through a bank or through another broker, shares registered directly in your name or shares held through the UTC Savings Plan, you should receive communications from Broadridge Investor Communications.

UTC is a great company whose results have been made possible by the efforts and skills of countless current and former employees. Special thanks for your own part in this.

Louis R. Chênevert,
Chairman & Chief Executive Officer
