All statements other than statements of historical facts included in this Prospectus and the information incorporated by reference into this Prospectus that we expect or anticipate will or may occur in the future, including, without limitation, certain statements included in this Prospectus under "The Company" and located elsewhere in this Prospectus regarding our financial position, business strategy and measures to implement that strategy, including changes to operations, competitive strengths, goals, expansion and growth of our business and operations, plans, references to future success and other such matters are forward-looking statements. These statements are based on certain assumptions and analyses made by us in light of our experience and our perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. However, whether actual results and developments will conform with our expectations and predictions is subject to a number of risks and uncertainties, including without limitation:

Consequently, all of the forward-looking statements we make in this Prospectus and the information we are incorporating by reference into this Prospectus are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to or effects on us and our subsidiaries or our businesses or operations. #### RECENT FINANCIAL DEVELOPMENTS

On April 22, 1999, we announced our financial results for the quarter ended April 4, 1999. Earnings for the quarter was \$241 million, or \$0.71 per diluted share, on sales of \$4.9 billion, before the effect of an accounting change. Reported net income for the quarter ended April 4, 1999 of \$188 million, or \$0.55 per diluted share, includes \$53 million of after-tax adjustment related to the adoption of a new accounting standard for the cost of start-up activities. The increases in sales and net income were principally due to increases in sales in each of our business segments, and a 13% increase in operating income in our defense and commercial electronics segments.

#### THE INITIAL DEBENTURES

On December 14, 1998, we issued \$250,000,000 aggregate principal amount of our 6% Debentures Due 2010 and \$550,000,000 of our 6.40% Debentures Due 2018 in a transaction exempt from the registration requirements of the Securities Act of 1933 pursuant to the exemptions to such requirements provided by Rule 144A under this Act. These 6% Debentures Due 2010 are referred to in this Prospectus as the "Initial Debentures Due 2010," the 6.40% Debentures Due 2018 are referred to in this Prospectus as the "Initial Debentures Due 2018," and all of such debentures are referred to together as the "Initial Debentures."

#### USE OF PROCEEDS

We will not receive any cash proceeds from the issuance of the Exchange Debentures. We used the net proceeds from the original sale of the Initial Debentures on December 14, 1998 to refinance commercial paper borrowings with various maturities and that bore interest at various rates.

## DESCRIPTION OF THE DEBENTURES

The Initial Debentures were, and the Exchange Debentures will be, issued under an Indenture dated as of July 3, 1995, as supplemented and amended by the Supplemental Indenture dated as of December 14, 1998, between Raytheon and The Bank of New York, as trustee. The following summary of certain provisions of the Indenture, the Initial Debentures and the Exchange Debentures does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the Indenture, including the definitions of certain terms contained in the Indenture and those terms made a part of the Indenture by the Trust Indenture Act of 1939, as amended, the Initial Debentures and the Exchange Debentures. Copies of the Indenture, the Initial Debentures and the Exchange Debentures have been filed as exhibits to the registration statement of which this Prospectus is a part, and are available upon request from us. The Exchange Debentures are identical in all material respects to the Initial Debentures, except for certain transfer restrictions and registration rights relating to the Initial Debentures, and except that, if the Exchange Offer is not consummated before July 12, 1999, the interest rate on the Initial Debentures from and after such date until the consummation of the Exchange Offer will increase by .25% per annum. Capitalized terms used but not defined in the following summary have the respective meanings specified in the Indenture. Certain of these capitalized terms are defined below, see "-- Certain Definitions." Section references are to the Indenture unless otherwise indicated.

References to the "Debentures Due 2010" below are to the Initial Debentures Due 2010 and Exchange Debentures Due 2010, treated as a single series of Security, and references to the "Debentures Due 2018" below are to the Initial Debentures Due 2018 and Exchange Debentures Due 2018, treated as a single series of Security. References below to the "Debentures" are to the Initial Debentures Due 2010, the Exchange Debentures Due 2010, the Initial Debentures Due 2018 and the Exchange Debentures Due 2018, collectively.

### General

The Debentures are limited to \$800 million aggregate principal amount, consisting of \$250 million principal amount of Debentures Due 2010 and \$550 million principal amount of Debentures Due 2018. The Exchange Debentures of each series will be treated as a continuation of the Initial Debentures of such series for calculation of interest and all other purposes, except that the interest rate on the Initial Debentures may increase if the Exchange Offer is not consummated before July 12, 1999, as described above. The Debentures are senior unsecured obligations of Raytheon and will rank *pari passu* with all senior unsecured debt of Raytheon and will be senior to all existing and future subordinated debt of Raytheon, if any. Interest on the Debentures is payable in United States dollars at the office or agency of Raytheon in the Borough of Manhattan, the City of New York, New York or, at Raytheon's option, by check mailed to the address of the registered holder. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Debentures Due 2010. Each Debenture Due 2010 bears interest from December 14, 1998, at 6% per annum, payable semiannually on June 15 and December 15 of each year, commencing June 15, 1999, to the person in whose name the Debenture Due 2010 is registered, subject to certain exceptions as provided in the Indenture, at the close of business on June 1 or December 1 (each a "Record Date"), as the case may be, immediately preceding such June 15 or December 15. The Debentures Due 2010 will mature on December 15, 2010, and are not subject to any sinking fund provision.

The Debentures Due 2018. Each Debenture Due 2018 bears interest from December 14, 1998, at 6.40% per annum, payable semiannually on June 15 and December 15 of each year, commencing June 15, 1999, to the person in whose name the Debenture Due 2018 is registered, subject to certain exceptions as provided in the Indenture, at the close of business on the Record Date immediately preceding such June 15 or December 15. The Debentures Due 2018 will mature on December 15, 2018, and are not subject to any sinking fund provision.

## Optional Redemption

The Debentures Due 2010 and Debentures Due 2018 will be redeemable as a whole at any time or in part from time to time, at the option of Raytheon, at a redemption price equal to the greater of:

(1) 100% of the principal amount of such Debentures; and

(2) the sum of the present values of the remaining scheduled payments of principal and interest thereon from the redemption date to the applicable maturity date discounted, in either case, to the redemption date on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 20 basis points, plus any interest accrued but not paid to the date of redemption.

"Treasury Rate" means, with respect to any redemption date for the Debentures Due 2010 or the Debentures Due 2018, as the case may be,

(1) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue; if no maturity is within three months before or after the maturity date for the Debentures Due 2010 or the Debentures Due 2018, as the case may be, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month, or

(2) if such release, or any successor release, is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue, expressed as a percentage of its principal amount, equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

"Comparable Treasury Issue" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Debentures Due 2010 or the Debentures Due 2018, as the case may be, to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Debentures. "Independent Investment Banker" means one of the Reference Treasury Dealers appointed by the Trustee after consultation with Raytheon.

"Comparable Treasury Price" means with respect to any redemption date for the Debentures Due 2010 or the Debentures Due 2018, as the case may be,

(1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or

(2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Reference Treasury Dealer" means each of Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated and two other primary U.S. Government securities dealers in New York City (each, a "Primary Treasury Dealer") appointed by the Trustee in consultation with Raytheon; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, Raytheon shall substitute therefor another Primary Treasury Dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable

Treasury Issue, expressed in each case as a percentage of its principal amount, quoted in writing to the Trustee by such Reference Treasury Dealer at 5:00 p.m. on the third Business Day preceding such redemption date.

Notice of any redemption will be mailed at least 30 days but no more than 60 days before the redemption date to each holder of Debentures to be redeemed.

Unless Raytheon defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Debentures or portions thereof called for redemption.

The Debentures will be issued only in registered form without coupons, in denominations of \$1,000 or integral multiples thereof. To the extent described under "--Book Entry; Delivery and Form" below, the principal of and interest on the Debentures will be payable and the transfer of the Debentures will be registrable through The Depository Trust Company ("DTC"). No service charge will be made for any registration of transfer or exchange of the Debentures, but Raytheon may require payment of a sum sufficient to cover any tax or other governmental charge imposed in connection therewith (Section 305).

#### Events of Default

The Indenture, with respect to any series of Securities then Outstanding, defines an Event of Default as any one of the following events:

(1) default in the payment of any interest on any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days;

(2) default in the payment of the principal of, or premium, if any, on any Security of that series when it shall become due and payable either at its Maturity, by declaration as authorized in the Indenture or otherwise;

(3) failure to deposit any sinking fund payment when and as due by the terms of a Security of that series;

(4) failure to perform any other covenants or agreements of Raytheon in the Indenture, other than covenants or agreements included in the Indenture solely for the benefit of a series or series of Securities thereunder other than that series, and continuance of such default for a period of 60 days after either the Trustee or the Holders of at least 25% of the principal amount of the outstanding Securities of that series have given written notice in the manner provided for therein specifying such failure as provided in the Indenture;

(5) certain events in bankruptcy, insolvency or reorganization of Raytheon; and

(6) any other Event of Default provided with respect to Securities of that series (Section 501). If an Event of Default occurs with respect to Securities of any series, the Trustee shall give the Holders of Securities of such series notice of such default, provided, however, that in the case of a default described in (4) above, no such notice to Holders shall be given until at least 30 days after the occurrence thereof (Section 602).

If an Event of Default with respect to the Securities of any series at the time outstanding occurs and is continuing, either the Trustee or the Holders of at least 25% of the aggregate principal amount of the outstanding Securities of that series may declare the principal amount of all the Securities of that series to be due and payable immediately. At any time after a declaration of acceleration with respect to Securities of any series has been made, but before a judgment or decree based on acceleration has been obtained, the Holders of a majority of the aggregate principal amount of outstanding Securities of that series may, under certain circumstances, rescind and annul such acceleration (Section 502).

The Indenture provides that, subject to the duty of the Trustee during default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under the

Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee reasonable security or indemnity (Section 603). Subject to such provisions for the indemnification of the Trustee and to certain other conditions, the Holders of a majority of the aggregate principal amount of the outstanding Securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of that series (Section 512).

No Holder of Securities of any series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless:

(1) such Holder previously has given to the Trustee under the Indenture written notice of a continuing Event of Default with respect to Securities of that series;

(2) the Holders of at least 25% of the aggregate principal amount of the outstanding Securities of that series have made written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as trustee;

(3) in the 60-day period following receipt of a written notice from a Holder, the Trustee has not received from the Holders of a majority of the aggregate principal amount of the outstanding Securities of that series a direction inconsistent with such request; and

(4) the Trustee shall have failed to institute such proceeding within such 60-day period (Section 507). However, such limitations do not apply to a suit instituted by a Holder of a Security for enforcement of payment of the principal of and premium, if any, or interest on such Security on or after the respective due dates expressed in such Security (Section 508).

Raytheon is required to furnish to the Trustee annually a statement as to the performance by Raytheon of certain of its obligations under the Indenture and as to any default in such performance (Section 1007).

Any payment default on any Security regardless of amount, where the aggregate principal amount of the series of such Security exceeds \$50 million, or any other default that causes acceleration of any such Security, would give rise to a cross-default under Raytheon's senior credit facilities. In certain circumstances, payment defaults on Securities may give rise to cross-defaults under guarantees of Raytheon related to various receivables facilities of certain subsidiaries of Raytheon.

#### Defeasance and Covenant Defeasance

The Indenture provides that Raytheon may elect either:

(1) to defease and be discharged from any and all obligations in respect of a series of Securities then outstanding, except for certain obligations to register the transfer of or exchange of such series of Securities, replace stolen, lost or mutilated Securities, maintain paying agencies and hold monies for payment in trust, ("defeasance"); or

(2) to be released from its obligations with respect to such series of Securities under any covenants applicable to such series of Securities which are determined pursuant to Section 301 of the Indenture to be subject to covenant defeasance ("covenant defeasance"), and the occurrence of an event described in clause (4) under "Events of Default" above, insofar as with respect to covenants subject to covenant defeasance, shall no longer be an Event of Default, in the case of either (1) or (2) if Raytheon deposits, in trust, with the Trustee money or U.S. Government Obligations, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient, without reinvestment, to pay all the principal of, premium, if any, and interest on such series of Securities on the dates such payments are due, which may include one or more redemption dates designated by Raytheon, and any mandatory sinking fund or analogous payments thereon in accordance with the terms of such series of Securities. Such a trust may only be established if, among other things, (A) no Event of

Default or event which with the giving of notice or lapse of time, or both, would become an Event of Default under the Indenture shall have occurred and be continuing on the date of such deposit, (B) such deposit will not cause the Trustee to have any conflicting interest with respect to other securities of Raytheon and Raytheon shall have delivered an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for federal income tax purposes, and, in the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the Internal Revenue Service or other change in applicable federal income tax law, as a result of such deposit or defeasance and will be subject to federal income tax in the same manner as if such defeasance had not occurred.

Raytheon may exercise its defeasance option with respect to such series of Securities notwithstanding its prior exercise of its covenant defeasance option. If Raytheon exercises its defeasance option, payment of such series of Securities may not be accelerated because of a subsequent Event of Default. If Raytheon exercises its covenant defeasance option, payment of such series of Securities may not be accelerated by reference to a subsequent breach of any of the covenants noted under clause (2) in the preceding paragraph. In the event Raytheon omits to comply with its remaining obligations with respect to such series of Securities under the Indenture after exercising its covenant defeasance option and such series of Securities are declared due and payable because of the subsequent occurrence of any Event of Default, the amount of money and U.S. Government Obligations on deposit with the Trustee may be insufficient to pay amounts due on the Securities of such series at the time of the acceleration resulting from such Event of Default. However, Raytheon will remain liable in respect of such payments. See Article Thirteen and Article Fourteen of the Indenture.

#### Modification and Waiver

Modifications and amendments of the Indenture may be made by Raytheon and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Securities of all series issued under the Indenture and affected by the modification or amendments, voting as a single class; provided, however, that no such modification or amendment may, without the consent of the Holders of all Securities affected thereby, among other things,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security;

(2) reduce the principal amount of, or the premium, if any, or interest on, any Security;

(3) change the place or currency of payment of principal of, premium, if any, or interest on any Security;

(4) impair the right to institute suit for the enforcement of any payment on any Security on or after the Stated Maturity thereof (or in the case of redemption, on or after the Redemption Date; or

(5) reduce the percentage of the principal amount of outstanding Securities of any series, the consent of whose Holders is required for modification or amendment of the Indenture or for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults (Section 902).

The Holders of a majority of the aggregate principal amount of the Securities of a series may, on behalf of all Holders of the Securities of such series, waive any past default under the Indenture with respect to such series, except a default in the payment of principal, premium, if any, or interest or in the performance of certain covenants with respect to such series (Section 513).

#### Certain Covenants of the Corporation

Raytheon is subject to certain covenants under the Indenture with respect to the Debentures.

Limitation on Liens. Raytheon may not, nor may it permit any Significant Subsidiary to, create, incur, assume or permit to exist any Lien on any property or asset (including any stock or other securities of any Person, including any Significant Subsidiary), or on any income or revenues or rights in respect of any thereof, unless the Securities of any series then or thereafter Outstanding shall be equally and ratably secured. This restriction does not apply, however, to

(1) Liens on property or assets of Raytheon and its Subsidiaries existing on the date of the Indenture, provided that such Liens shall secure only those obligations which they secure as of the date of the Indenture;

(2) any Lien existing on any property or asset prior to the acquisition thereof by Raytheon or any Subsidiary, provided that (i) such Lien is not created in contemplation of or in connection with such acquisition and (ii) such Lien does not apply to any other property or assets of Raytheon or any Subsidiary;

(3) Liens for taxes not yet due or which are being contested in good faith by appropriate proceedings and with respect to which adequate reserves, to the extent required by GAAP, have been set aside;

(4) carriers', warehousemen's, mechanics', materialsmen's, repairmen's or other like Liens arising in the ordinary course of business and securing obligations that are not due and payable or which are being contested in good faith by appropriate proceedings and with respect to which adequate reserves, to the extent required by GAAP, have been set aside;

(5) pledges and deposits made in the ordinary course of business in compliance with workmen's compensation, unemployment insurance and other social security laws or regulations;

(6) deposits to secure the performance of bids, trade contracts, other than for Indebtedness, leases, other than capital leases, statutory obligations, surety and appeal bonds, advance payment bonds, performance bonds and other obligations of a like nature incurred in the ordinary course of business;

(7) zoning restrictions, easements, rights-of-way, restrictions on use of real property and other similar encumbrances incurred in the ordinary course of business which, in the aggregate, are not substantial in amount and do not materially detract from the value of the property subject thereto or interfere with the ordinary conduct of the business of Raytheon or any of its Subsidiaries;

(8) Liens upon any property acquired, constructed or improved by Raytheon or any Subsidiary which are created or incurred within 360 days of such acquisition, construction or improvement to secure or provide for the payment of any part of the purchase price of such property or the cost of such construction or improvement, including carrying costs, but no other amounts, provided that any such Lien shall not apply to any other property of Raytheon or any Subsidiary;

(9) Liens on the property or assets of any Subsidiary in favor of Raytheon;

(10) extensions, renewals and replacements of Liens referred to in paragraphs (i) through (ix) above, provided that any such extension, renewal or replacement Lien shall be limited to the property or assets covered by the Lien extended, renewed or replaced and that the obligations secured by any such extension, renewal or replacement Lien shall be in an amount not greater than the amount of the obligations secured by the Lien extended, renewed or replaced;

(11) any Lien, of the type described in clause (3) of the definition below of the term "Lien," on securities imposed pursuant to an agreement entered into for the sale or disposition of such securities pending the closing of such sale or disposition; provided such sale or disposition is otherwise permitted hereunder;

(12) Liens arising in connection with any Permitted Receivables Program, to the extent the sale by Raytheon or the applicable Subsidiary of its accounts receivable is deemed to give rise to a Lien in favor of the purchaser thereof in such accounts receivable or the proceeds thereof;

(13) Liens on the capital stock or assets of any Subsidiary that is not a Significant Subsidiary; and

(14) Liens to secure Indebtedness if, immediately after the grant thereof, the aggregate amount of all Indebtedness secured by Liens that would not be permitted but for this clause (14) does not exceed 15% of the Stockholders' Equity as shown on the most recent consolidated balance sheet of Raytheon filed with the SEC pursuant to the Securities Exchange Act of 1934.

Limitation on Sale/Leaseback Transactions. Transactions involving any sale and leaseback by Raytheon or any Significant Subsidiary of any Principal Property are prohibited, unless Raytheon or any such Significant Subsidiary, within 120 days after the effective date of the lease, applies to the retirement of any Funded Debt an amount equal to the greater of

(1) the net proceeds of the sale of the property leased; or

(2) the fair market value of the property leased within 90 days prior to the effective date of the lease.

The amount to be so applied in respect of any such transaction will be reduced, however, by the principal amount of any Securities surrendered to the Trustee by Raytheon for cancellation and by the principal amount of Funded Debt other than Securities, voluntarily retired by Raytheon, within 120 days after the effective date of the lease, provided that no retirement may be effected by payment on the final maturity date or pursuant to mandatory sinking fund or prepayment provisions. This restriction does not apply, however, to Raytheon or any Significant Subsidiary:

(1) entering into any transaction not involving a lease with a term of more than three (3) years;

(2) entering into any transaction to the extent the Lien on any such property subject to such sale and leaseback would be permitted under the covenant described above under "Limitation on Liens"; or

(3) entering into any transaction for the sale and leaseback of any property if such lease is entered into within 180 days after the later of the acquisition, completion of construction or commencement of operation of such property.

Leveraged Transactions. Except for the limitations on liens and sale/leaseback transactions referred to above and on consolidations, mergers or transfers of Raytheon's assets substantially as an entirety referred to below, the Indenture and the terms of the Securities do not contain any covenants or other provisions designed to afford Holders of any Securities protection in the event of a highly leveraged transaction involving Raytheon.

#### Consolidation, Merger and Sale of Assets

Raytheon may not consolidate with or merge into any other Person or transfer or lease its assets substantially as an entirety to any Person unless any successor or purchaser is a corporation organized under the laws of the United States of America, any State or the District of Columbia, and any such successor or purchaser expressly assumes Raytheon's obligations under the Debentures by an indenture supplemental to the Indenture. The Trustee may receive an Opinion of Counsel as conclusive evidence of compliance with these provisions (Article Eight).

"GAAP" means generally accepted accounting principles applied on a consistent basis.

"Holder" means any individual, corporation, partnership, limited liability company, joint venture, trust, unincorporated organization or government or any agency or political subdivision thereof in whose name a Security is registered in the security register for such Securities maintained in accordance with the terms of the Indenture.

"Permitted Receivables Program" means any receivables securitization program pursuant to which Raytheon or any of the Subsidiaries sells accounts receivable to any non-Affiliate in a "true sale" transaction; provided, however, that any related indebtedness incurred to finance the purchase of such accounts receivable is not includible on the balance sheet, excluding the footnotes thereto, of Raytheon or any Subsidiary in accordance with GAAP and applicable regulations of the SEC.

"Principal Property" means

(1) Raytheon's principal office building; and

(2) any manufacturing plant or principal research facility of Raytheon or any Significant Subsidiary which is located within the United States of America or Canada, except any such principal office building, plant or facility which the Board of Directors by resolution declares is not of material importance to the total business conducted by Raytheon and its Subsidiaries as an entirety.

"Securities" means any Securities authenticated and delivered under the Indenture, including the Debentures.

## Concerning the Trustee

The Bank of New York is Trustee under the Indenture. The Trustee performs services for Raytheon in the ordinary course of business.

## Book-Entry; Delivery and Form

The certificates representing the Initial Debentures have been, and the Exchange Debentures will be, issued in fully registered form without interest coupons. Each series of Debentures sold in offshore transactions in reliance on Regulation S were initially represented by one or more permanent global Debentures in definitive, fully registered form without interest coupons and which was deposited with the Trustee as custodian for, and registered in the name of a nominee of, DTC for the accounts of Euroclear and Cedel Bank.

Each series of Initial Debentures sold in reliance on Rule 144A are represented by one or more permanent global Debentures in definitive, fully registered form without interest coupons which was deposited with the Trustee as custodian for, and registered in the name of a nominee of, DTC.

Each Global Security, and any Debentures issued for exchange therefor, are subject to certain restrictions on transfer set forth in such securities.

Ownership of beneficial interests in a Global Security will be limited to persons who have accounts with DTC ("participants") or persons who hold interests through participants. Ownership of beneficial interests in a Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee, with respect to interests of participants, and the records of participants, with respect to interests of persons other than participants, Qualified Institutional Buyers, as defined in Rule 144A under the Securities Act of 1933 ("QIBs") may hold their interests in a 144A Global Security directly through DTC if they are participants in such system, or indirectly through organizations which are participants in such system.

Investors may hold their interests in a Regulation S Global Security directly through Cedel Bank or Euroclear, if they are participants in such systems, or indirectly through other organizations that are participants in the DTC system. Cedel Bank and Euroclear will hold interests in the Regulation S Global Securities on behalf of their participants through DTC.

So long as DTC, or its nominee, is the registered owner or holder of a Global Security, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Debentures represented by such Global Security for all purposes under the Indenture and the Debentures. No beneficial owner of an interest in a Global Security will be able to transfer that interest except in accordance with DTC's applicable procedures, in addition to those provided for under the Indenture and, if applicable, those of Euroclear and Cedel Bank.

Payments of the principal of, and interest on, a Global Security will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither Raytheon, the Trustee nor any Paying Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising, or reviewing any records relating to such beneficial ownership interests.

Raytheon expects that DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Security, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of DTC or its nominee. Raytheon also expects that payments by participants to owners of beneficial interests in such Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way in accordance with DTC rules and will be settled in same-day funds. Transfers between participants in Euroclear and Cedel Bank will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Raytheon expects that DTC will take any action permitted to be taken by a Holder of Debentures, including the presentation of Debentures for exchange as described below, only at the direction of one or more participants to whose account the DTC interests in a Global Security is credited and only in respect of such portion of the aggregate principal amount of Debentures as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the Debentures, DTC will exchange the applicable Global Security for Certificated Securities, which it will distribute to its participants and which may be legended as required by the Indenture.

Raytheon understands that: DTC is a limited purpose trust company organized under the laws of the State of New York, a "banking organization" within the meaning of New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the Uniform Commercial Code and a "Clearing Agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates and certain other organizations. Indirect access to the DTC system is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly ("indirect participants").

Although DTC, Euroclear and Cedel Bank are expected to follow the foregoing procedures in order to facilitate transfers of interests in a Global Security among participants of DTC, Euroclear and Cedel Bank, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. Neither Raytheon nor the Trustee will have any responsibility for the performance by DTC, Euroclear or Cedel Bank or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

If DTC is at any time unwilling or unable to continue as a depository for the Global Securities and a successor depository is not appointed by Raytheon within 90 days, Raytheon will issue Certificated Securities, which may bear certain legends referred to in the Indenture, in exchange for the Global Securities. Holders of an interest in a Global Security may receive Certificated Securities, which may bear certain legends, in accordance with the DTC's rules and procedures in addition to those provided for under the Indenture.

#### Same-Day Settlement and Payment

So long as DTC continues to make its settlement system available to Raytheon, all payments of principal of and interest on the Debentures will be made by Raytheon in immediately available funds.

## CERTAIN UNITED STATES FEDERAL TAX CONSEQUENCES

The following discussion of certain of the anticipated federal income tax consequences of an exchange of the Initial Debentures for Exchange Debentures and of the purchase at original issue, ownership, and disposition of the Exchange Debentures is based upon the provisions of the Internal Revenue Code of 1986, as amended, the final, temporary, and proposed regulations promulgated thereunder, and administrative rulings and judicial decisions now in effect, all of which are subject to change, possibly with retroactive effect, or different interpretations. This summary does not purport to deal with all aspects of federal income taxation that may be relevant to you individually, nor any tax consequences arising under the laws of any state, locality, or foreign jurisdiction, and it is not intended to be applicable to all categories of investors, some of which, such as dealers in securities, banks, insurance companies, tax-exempt organizations, foreign persons, persons that hold Exchange Debentures as part of a straddle or conversion transactions, persons that purchase the Exchange Debentures from other holders at a discount or a premium or holders subject to the alternative minimum tax, may be subject to special rules. In addition, the summary is limited to persons that will hold the Exchange Debentures as "capital assets" (generally, property held for investment) within the meaning of Section 1221 of the Code.

You are advised to consult your own tax advisors regarding the Federal, state, local, and foreign tax consequences of the exchange and the ownership and disposition of Exchange Debentures.

### Certain Income Tax Effects Of The Exchange Offer

Subject to the limitation set forth above, your exchange of Initial Debentures for Exchange Debentures will not be a taxable event for you, and you will not recognize any taxable gain or loss as a result of this exchange. Accordingly, you would have the same adjusted basis and holding period in the Exchange Debentures as you had in the Initial Debentures immediately before the exchange. Further, the tax consequences of ownership and disposition of any Exchange Debentures by you will be the same as the tax consequences of ownership and disposition of Initial Debentures.

### General

Non-U.S. Holders. The following summary describes certain United States federal income tax consequences under current law that may be relevant to a beneficial owner of the Exchange Debentures that is not

(1) a citizen or resident of the United States, (ii) a corporation created or organized under the laws of the United States or any State thereof or the District of Columbia; or

(2) a person otherwise subject to United States federal income taxation on its worldwide income (any of the foregoing, a "Non-U.S. Holder").

This summary addresses only issues concerning Non-U.S. Holders that are initial holders of the Exchange Debentures and that will hold the Exchange Debentures as capital assets. It does not address the tax considerations applicable to Non-U.S. Holders if income or gain in respect of the Exchange Debentures is effectively connected with the conduct of a trade or business in the United States.

Generally, payments of interest made with respect to the Exchange Debentures to a Non-U.S. Holder will not be subject to United States federal income or withholding tax, provided that:

(1) the Non-U.S. Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of stock of Raytheon entitled to vote;

(2) the Non-U.S. Holder is not a controlled foreign corporation for United States tax purposes that is directly or indirectly related to Raytheon through stock ownership; and

(3) the Non-U.S. Holder complies with applicable certification requirements.

Any capital gain realized on the sale, exchange, retirement or other disposition of an Exchange Debenture by a Non-U.S. Holder will not be subject to United States federal income or withholding taxes unless such Non-U.S. Holder is an individual who is present in the United States for a period or periods aggregating 183 days or more in the taxable year of such sale, exchange, retirement or other disposition and either has a "tax home" (as defined for United States federal income tax purposes) in the United States or an office or other fixed place of business in the United States to which the sale or disposition is attributable.

The Exchange Debentures will not be includible in the estate of a Non-U.S. Holder provided the Non-U.S. Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of stock of Raytheon entitled to vote.

Information Reporting and Backup Withholding. You may be subject to information reporting and backup withholding at a rate of 31% on certain amounts paid to you unless you provide proof of an applicable exemption, including a general exemption for Non-U.S. Holders and for corporations, or correct taxpayer identification number, and otherwise comply with applicable requirements of the information reporting and backup withholding rules. Any amount withheld under the backup withholding rules may be allowed as a refund or a credit against your United States federal income tax liability, provided that the required information is furnished to the Internal Revenue Service.

1997 Regulations. On October 6, 1997, the United States Department of the Treasury issued new regulations relating to withholding, backup withholding and information reporting, which apply to payments made after December 31, 1999, subject to certain transition rules. Among other things, these regulations unify certain forms and procedures for certification, and clarify certain reliance standards. Prospective investors should consult their own tax advisors regarding the effect of these regulations.

We will be entitled to close the Exchange Offer provided that we have accepted all Initial Debentures that have been validly tendered in accordance with the terms of the Exchange Offer. Initial Debentures not tendered in the Exchange Offer shall bear interest at the same rates in effect at the time of issuance of the Debentures.

##### Expiration Date; Extensions; Termination; Amendments

The Exchange Offer will expire at 5:00 p.m., New York City time, on , 1999, unless we, in our sole discretion, extend the period of time described below for which the Exchange Offer is open. The

expiration date will be at least 20 days after the commencement of the Exchange Offer, or longer if required by applicable law. We expressly reserve the right, at any time or from time to time, to extend the period of time during which the Exchange Offer is open, and as a result delay acceptance for exchange of any Initial Debentures by giving oral notice, which shall be confirmed in writing, or written notice to the Exchange Agent and by giving written notice of this extension to the holders of the Initial Debentures or by timely public announcement communicated, unless otherwise required by applicable law or regulation, by making a release through the Dow Jones News Service, in each case, no later than 9:00 a.m. New York City time, on the next business day after the previously scheduled expiration date. Such announcement may state that we are extending the Exchange Offer for a specified period of time. During any such extension, all Initial Debentures previously tendered will remain subject to the Exchange Offer.

In addition, we expressly reserve the right to terminate or amend the Exchange Offer and not to accept for exchange any Initial Debentures not previously accepted for exchange upon the occurrence of any of the events specified below under "--Certain Conditions to the Exchange Offer". If any such termination or amendment occurs, we will notify the Exchange Agent and will either issue a press release or give oral or written notice to the holders of the Initial Debentures as promptly as practicable.

#### Procedures for Tendering Initial Debentures

Your tender to us of Initial Debentures as set forth below and the acceptance by us of such tender will constitute a binding agreement between you and us upon the terms and subject to the conditions set forth in this Prospectus and in the accompanying Letter of Transmittal.

You may tender Initial Debentures by (1) properly completing and signing the Letter of Transmittal or a facsimile copy of the Letter of Transmittal and delivering it, together with the certificate or certificates representing the Initial Debentures being tendered, if any, and any required signature guarantees, to the Exchange Agent at its address set forth below on or prior to 5:00 p.m., New York City time, on the expiration date, or complying with the procedure for book-entry transfer described below, or (2) complying with the guaranteed delivery procedures described below.

The method of delivery of Initial Debentures, Letters of Transmittal and all other required documents is at your election and risk and the delivery will be deemed made only when actually received by the Exchange Agent. If such delivery is by mail, we recommend that registered mail properly insured, with return receipt requested, or an overnight or hand delivery service, be used. In all cases, sufficient time should be allowed to insure timely delivery. No Initial Debentures or Letters of Transmittal should be sent to us.

Signatures on a Letter of Transmittal or a notice of withdrawal, as the case may be, must be guaranteed unless the Initial Debentures surrendered for exchange pursuant thereto are tendered (1) by a registered holder of the Initial Debentures who has not completed the box entitled "Special Issuance Instructions" or "Special Delivery Instructions" on the Letter of Transmittal, or (2) for the account of an Eligible Institution as defined herein. In the event that signatures on a Letter of Transmittal or a notice of withdrawal, as the case may be, are required to be guaranteed, such guarantee must be by a participant in a recognized signature guaranty medallion program (each an "Eligible Institution"). If Initial Debentures are registered in the name of a person other than a signer of the Letter of Transmittal, the Initial Debentures surrendered for exchange must be endorsed by, or be accompanied by a written instrument or instruments of transfer or exchange, in satisfactory form as determined by us in our sole discretion, duly executed by the registered holder with the signature thereon guaranteed by an Eligible Institution.

The Exchange Agent will make a request promptly after the date of this Prospectus to establish accounts with respect to the Initial Debentures at the book-entry transfer facility, The Depository Trust Company, for the purpose of facilitating the Exchange Offer, and subject to the establishment thereof, any financial institution

that is a participant in the book-entry transfer facility's system may make book-entry delivery of Initial Debentures by causing such book-entry transfer facility to transfer such Initial Debentures into the Exchange Agent's account with respect to the Initial Debentures in accordance with the book-entry transfer facility's procedures for such transfer. Although delivery of Initial Debentures may be effected through book-entry transfer in the Exchange Agent's account at the book-entry transfer facility, an appropriate Letter of Transmittal with any required signature guarantee and other required documents must in each case be transmitted to and received or confirmed by the Exchange Agent at its address set forth below on or prior to the Expiration Date, or, if the guaranteed delivery procedures described below are complied with, within the time period provided under such procedures.

If you desire to accept the Exchange Offer and time will not permit a Letter of Transmittal or Initial Debentures to reach the Exchange Agent on or prior to the Expiration Date or the procedure for book-entry transfer cannot be completed on a timely basis, you may effect an exchange if the Exchange Agent has received at its address or facsimile number set forth below on or prior to the Expiration Date a letter, telegram or facsimile from an Eligible Institution setting forth your name and address, the name in which the Initial Debentures are registered and, if possible, the certificate number or numbers of the certificate or certificates representing the Initial Debentures to be tendered, and stating that the tender is being made thereby and guaranteeing that within three business days after the Expiration Date the Initial Debentures in proper form for transfer, or a confirmation of book-entry transfer of such Initial Debentures into the Exchange Agent's account at the book-entry transfer facility, will be delivered by such Eligible Institution together with a properly completed and duly executed Letter of Transmittal and any other required documents. Unless Initial Debentures being tendered by the above-described method are deposited with the Exchange Agent within the time period set forth above, accompanied or preceded by a properly completed Letter of Transmittal and any other required documents, we may, at our option, reject the tender. You may obtain copies of a Notice of Guaranteed Delivery which may be used by an Eligible Institution for the purposes described in this paragraph from the Exchange Agent.

Your tender will be deemed to have been received as of the date when (1) your properly completed and duly signed Letter of Transmittal accompanied by the Initial Debentures, or a confirmation of book-entry transfer of such Initial Debentures into the Exchange Agent's account at the book-entry transfer facility, is received by the Exchange Agent, or (2) a Notice of Guaranteed Delivery or letter, telegram or facsimile to similar effect (as provided above) from an Eligible Institution is received by the Exchange Agent. Issuances of Exchange Debentures in exchange for Initial Debentures tendered pursuant to a Notice of Guaranteed Delivery or letter, telegram or facsimile to similar effect by an Eligible Institution will be made only against deposit of the Letter of Transmittal and any other required documents and the tendered Initial Debentures.

All questions as to the validity, form, eligibility, time of receipt and acceptance of Initial Debentures tendered for exchange will be determined by us in our sole discretion, which determination will be final and binding on all parties. We reserve the right to reject any and all tenders of any particular Initial Debentures not properly tendered or reject any particular shares of Initial Debentures the acceptance of which might, in our judgment, be unlawful. We also reserve the absolute right to waive any defects or irregularities or condition of the Exchange Offer as to any particular Initial Debentures either before or after the Expiration Date, including the right to waive the ineligibility of any holder who seeks to tender Initial Debentures in the Exchange Offer. The interpretation of the terms and conditions of the Exchange Offer, including the Letter of Transmittal and the instructions thereto, by us shall be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Initial Debentures for exchange must be cured within such time as we shall determine. Neither us nor any other person shall be under any duty to give notification of defects or irregularities with respect to tenders of Initial Debentures for exchange, nor shall any of them incur any liability for failure to give such notification.

If the Letter of Transmittal or any Initial Debentures or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and unless waived by us, proper evidence satisfactory to us of their authority to so act must be submitted.

If you are not a broker-dealer or are a broker-dealer but are not receiving Exchange Debentures for your own account, by tendering you will represent to us that, among other things, the Exchange Debentures acquired pursuant to the Exchange Offer are being obtained in the ordinary course of your business, that you are not engaged in, and do not intend to engage in, and have no arrangement or understanding with any person to participate in the distribution of such Exchange Debentures and you are not an "affiliate" of Raytheon as defined in Rule 405 under the Securities Act of 1933 or, if you are an affiliate, you will comply with the registration and prospectus delivery requirements of the Securities Act of 1933, to the extent applicable. Each broker-dealer that is receiving Exchange Debentures for its own account in exchange for Initial Debentures that were acquired as a result of market-making or other trading activities will represent to us that it will deliver a prospectus in connection with any resale of such Initial Debentures.

In addition, we reserve the right in our sole discretion to (1) purchase or make offers for any Initial Debentures that remain outstanding subsequent to the expiration date, or, as set forth under "--Certain Conditions to the Exchange Offer", to terminate the Exchange Offer and (2) to the extent permitted by applicable law, purchase Initial Debentures in the open market, in privately negotiated transactions or otherwise. The terms of any such purchases or offers may differ from the terms of the Exchange Offer.

#### Withdrawal Rights

You may withdraw tenders of Initial Debentures at any time prior to 5:00 p.m., New York City time, on the business day prior to the expiration date. For a withdrawal to be effective, a written notice of withdrawal sent by letter, telegram or facsimile must be received by the Exchange Agent at any time prior to 5:00 p.m., New York City time, on the business day prior to the expiration date at its address or facsimile number set forth below. Any such notice of withdrawal must (i) specify the name of the person having tendered the Initial Debentures to be withdrawn (the "Depositor"), the name in which the Initial Debentures are registered or, if tendered by book-entry transfer, the name of the participant listing as the owner of such Initial Debentures, if different from that of the Depositor, (ii) identify the Initial Debentures to be withdrawn, including the certificate number of numbers of the certificate or certificates representing such Initial Debentures and the aggregate principal amount of such Initial Debentures, (iii) be signed by the holder in the same manner as the original signature on the Letter of Transmittal by which such Initial Debentures were tendered, including any required signature guarantees, or be accompanied by documents of transfer sufficient to permit the Transfer Agent with respect to the Initial Debentures to register the transfer of such Initial Debentures into the name of the person withdrawing the tender and (iv) specify the name in which any such Initial Debentures are to be registered, if different from that of the Depositor. All questions as to the validity, form and eligibility, including time of receipt, of such withdrawal notices will be determined by us in our sole discretion, which determination will be final and binding on all parties. Any Initial Debentures so withdrawn will be deemed not to have been validly tendered for purposes of the Exchange Offer and no Exchange Debentures will be issued with respect thereto unless the Initial Debentures so withdrawn are validly retendered. Any Initial Debentures which have been tendered but which are withdrawn will be returned to the holder thereof without cost to such holder as soon as practicable after such withdrawal. Properly withdrawn Initial Debentures may be retendered by following one of the procedures described above under "--Procedures for Tendering Initial Debentures" at any time prior to the Expiration Date.

#### Acceptance of Initial Debentures for Exchange; Delivery of Exchange Debentures

Upon satisfaction or waiver of all of the conditions to the Exchange Offer, we will accept, promptly after the Expiration Date, all Initial Debentures properly tendered and will issue the Exchange Debentures promptly after acceptance of the Exchange Offer. See "--Certain Conditions to the Exchange Offer" below. For purposes of the Exchange Offer, we will be deemed to have accepted properly tendered Initial Debentures for exchange when we have given oral or written notice thereof to the Exchange Agent.

In all cases, issuance of the Exchange Debentures in exchange for Initial Debentures pursuant to the Exchange Offer will be made only after timely receipt by us of such Initial Debentures, a properly completed

and duly executed Letter of Transmittal and all other required documents. If any tendered Initial Debentures are not accepted for exchange for any reason set forth in the terms and conditions of the Exchange Offer, such unaccepted Initial Debentures will be returned without expense to the tendering holder thereof as promptly as practicable after the rejection of such tender or the expiration or termination of the Exchange Offer.

#### Untendered Initial Debentures

Holders of Initial Debentures whose Initial Debentures are not tendered or are tendered but not accepted in the Exchange Offer will continue to hold such Initial Debentures and will be entitled to all the rights and preferences and subject to the limitations applicable thereto. Following consummation of the Exchange Offer, the holders of Initial Debentures will continue to be subject to the existing restrictions upon transfer thereof and, except as provided in this Prospectus, we will have no further obligation to such holders to provide for the registration under the Securities Act of 1933 of the Initial Debentures held by them. To the extent that Initial Debentures are tendered and accepted in the Exchange Offer, the trading market for untendered and tendered but unaccepted Initial Debentures could be adversely affected.

#### Certain Conditions to the Exchange Offer

Notwithstanding any other term of the Exchange Offer, we will not be required to accept for exchange, or issue Exchange Debentures in exchange for, any Initial Debentures, and may terminate or amend the Exchange Offer, if at any time before the acceptance of such Initial Debentures for exchange, any of the following events shall occur:

(1) an injunction, order or decree shall have been issued by any court or governmental agency that would prohibit, prevent or otherwise materially impair our ability to proceed with the Exchange Offer; or

(2) there shall occur a change in the current interpretation of the staff of the Commission which current interpretation permits the Exchange Debentures issued pursuant to the Exchange Offer in exchange for the Initial Debentures to be offered for resale, resold and otherwise transferred by holders thereof, other than (1) a broker-dealer who purchases such Exchange Debentures directly from Raytheon to resell pursuant to Rule 144A, Regulation S or any other available exemption under the Securities Act of 1933 or (2) a person that is an affiliate of Raytheon within the meaning of Rule 405 under the Securities Act of 1933, without compliance with the registration and prospectus delivery provisions of the Securities Act of 1933 provided that such Exchange Debentures are acquired in the ordinary course of such holders' business and such holders have no arrangement with any person to participate in the distribution of Exchange Debentures.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any such condition or may be waived by us in whole or in part at any time and from time to time in our sole discretion. The failure by us at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right which may be asserted by us at any time and from time to time.

If we determine that we may terminate the Exchange Offer, as set forth above, we may (1) refuse to accept any Initial Debentures and return any Initial Debentures that have been tendered to their holders, (2) extend the Exchange Offer and retain all Initial Debentures tendered prior to the expiration date, subject to the rights of such holders of tendered shares of Initial Debentures to withdraw their tendered Initial Debentures, or (3) waive such termination event with respect to the Exchange Offer and accept all properly tendered Initial Debentures that have not been withdrawn. If such waiver constitutes a material change in the Exchange Offer, we will disclose such change by means of a supplement to this Prospectus that will be distributed to each registered holder of Initial Debentures, and we will extend the Exchange Offer for a period of five to ten business days, depending upon the significance of the waiver and the manner of disclosure to the registered holders of the Initial Debentures, if the Exchange Offer would otherwise expire during such period.

In addition, we will not accept for exchange any Initial Debentures tendered, and no Exchange Debentures will be issued in exchange for any such Initial Debentures, if at any time any stop order shall be threatened by the SEC or in effect with respect to the Registration Statement.

The Exchange Offer is not conditioned on any minimum principal amount of Initial Debentures being tendered for exchange.

#### Solicitation of Tenders; Fees and Expenses

We have not retained any dealer-manager in connection with the Exchange Offer and will not make any payments to brokers, dealers or other persons soliciting acceptance of the Exchange Offer. We will, however, pay the Exchange Agent reasonable and customary fees for its services and will reimburse the Exchange Agent for its reasonable out-of-pocket expenses in connection therewith. The cash expenses to be incurred by us in connection with the Exchange Offer will be paid by us.

No person has been authorized to give any information or to make any representation in connection with the Exchange Offer other than those contained in this Prospectus. If given or made, such information or representations should not be relied upon as having been authorized by us. Neither the delivery of this Prospectus nor any exchange made hereunder shall, under any circumstances, create any implication that there has been no change in our affairs since the respective dates as of which information is given herein. The Exchange Offer is not being made to, nor will tenders be accepted from or on behalf of, holders of Initial Debentures in any jurisdiction in which the making of the Exchange Offer or the acceptance of Initial Debentures would not be in compliance with the laws of such jurisdiction.

#### Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of Initial Debentures pursuant to the Exchange Offer. If, however, certificates representing Exchange Debentures or Initial Debentures not tendered or accepted for exchange are to be delivered to, or are to be registered or issued in the name of, any person other than the registered holder of the Initial Debentures tendered, or if tendered Initial Debentures are registered in the name of any person other than the person signing the Letter of Transmittal, or if a transfer tax is imposed for any reason other than the exchange of Exchange Debentures pursuant to the Exchange Offer, then the amount of any such transfer taxes, whether imposed on the registered holder or any other persons, will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted with the Letter of Transmittal, the amount of such transfer taxes will be billed directly to such tendering holders.

## Accounting Treatment

No gain or loss for accounting purposes will be recognized by us upon the consummation of the Exchange Offer. Expenses incurred in connection with the issuance of the Exchange Debentures will be amortized by us over the term of the Exchange Debentures under generally accepted accounting principles.

## PLAN OF DISTRIBUTION

Based on no-action letters issued by the staff of the SEC to third parties, we believe that the Exchange Debentures issued pursuant to the Exchange Offer in exchange for Initial Debentures may be offered for resale, resold and otherwise transferred by holders thereof other than (1) a broker-dealer who purchases such Exchange Debentures directly from us to resell pursuant to Rule 144A or any other available exemption under the Securities Act of 1933 or (2) a person that is an affiliate of ours within the meaning of Rule 405 under the Securities Act of 1933, without compliance with the registration and prospectus delivery requirements of the Securities Act of 1933 provided that Exchange Debentures are acquired in the ordinary course of such holders' business and such holders have no arrangement with any person to participate in the distribution of such Exchange Debentures. Any holder of Initial Debentures who tenders in the Exchange Offer for the purpose of participating in a distribution of the Exchange Debentures could not rely on such interpretation by the staff of the SEC and must comply with the registration and prospectus delivery requirements of the Securities Act of 1933 in connection with any resale transaction. Thus, any Exchange Debentures acquired by such holders will not be freely transferable except in compliance with the Securities Act of 1933.

Each broker-dealer that receives Exchange Debentures for its own account in exchange for Initial Debentures acquired as a result of market-making or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Debentures. For a period of 90 days after the Expiration Date, this Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of such Exchange Debentures. During such 90-day period, we will use our reasonable best efforts to make this Prospectus available to any broker-dealer for use in connection with such resale, provided that such broker-dealer indicates in the Letter of Transmittal that it is a broker-dealer.

We will not receive any proceeds from any sale of Exchange Debentures by broker-dealers. Exchange Debentures received by broker-dealers for their own account pursuant to the Exchange Offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Debentures or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through broker-dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such Exchange Debentures. Any broker-dealer that resells Exchange Debentures that were received by it for its own account pursuant to the Exchange Offer and any person that participates in the distribution of such Exchange Debentures may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933 and any profit on any such resale of Exchange Debentures and any commissions or concessions received by any such broker-dealers may be deemed to be underwriting compensation under the Securities Act of 1933. The Letter of Transmittal states that a broker-dealer, by acknowledging that it will deliver and by delivering a prospectus, will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act of 1933.

We will indemnify the holders of the Exchange Debentures (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act of 1933.

#### VALIDITY OF DEBENTURES

The validity of the Exchange Debentures will be passed upon for Raytheon by Thomas D. Hyde, Esq., the Senior Vice President and Secretary of Raytheon Company.

#### EXPERTS

Our consolidated balance sheets as of December 31, 1998 and 1997 and the related statements of income, stockholders' equity and cash flows for each of the three years in the period ended December 31, 1998 and the related financial statement schedule, incorporated by reference in this Registration Statement, have been incorporated into this Registration Statement in reliance on the reports of PricewaterhouseCoopers LLP, independent accountants, given on the authority of that firm as experts in accounting and auditing.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Delaware General Corporation Law

Under Section 145 of the Delaware General Corporation Law (the "DGCL"), Raytheon is empowered to indemnify its directors and officers in the circumstances therein provided. Certain portions of Section 145 are summarized below:

Section 145(a) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in the manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had not reasonable cause to believe such person's conduct was unlawful.

Section 145(b) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Section 145(c) of the DGCL provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 145(a) and (b), or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 145(d) of the DGCL provides that any indemnification under Section 145(a) and (b) (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 145(a) and (b). Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (1) by a majority vote of the directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

Section 145(e) of the DGCL provides that expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in Section 145. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

Section 145(f) of the DGCL provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Section 145(g) of the DGCL provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under Section 145.

#### Restated Certificate of Incorporation

The Restated Certificate of Incorporation of Raytheon Company provides that no director of Raytheon shall be personally liable to Raytheon or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption or limitation is prohibited under the DGCL as it currently exists or as it may be amended in the future.

The Restated Certificate of Incorporation also provides that Raytheon shall indemnify each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of Raytheon or is or was serving at the request of Raytheon as a director or officer of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans (whether the basis of such action, suit or proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer), to the fullest extent authorized by the DGCL as it currently exists or as it may be amended in the future, against all expense, liability and loss (including attorneys' fees, judgments, fines, payments in settlement and excise taxes or penalties arising under the Employee Retirement Income Security Act of 1974, as in effect from time to time) reasonably incurred or suffered by such person. Such indemnification shall continue as to a person who ceases to be a director or officer of Raytheon and shall inure to the benefit of such person's heirs, executors and administrators. Raytheon shall not be required to indemnify a person in connection with such action, suit or proceeding initiated by such person if it was not authorized by the Board except under limited circumstances.

The Restated Certificate of Incorporation also provides that Raytheon shall pay the expenses of directors and officers incurred in defending any such action, suit or proceeding in advance of its final disposition; provided, however, that, if and to the extent that the DGCL requires, the payment of expenses incurred by a director or officer in advance of the final disposition of any action, suit or proceeding shall be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified under the Restated Certificate of Incorporation or otherwise. If a claim for indemnification or advancement of expenses by an officer or director under the Restated Certificate of Incorporation is not paid in full within 30 calendar days after a written claim therefor has been received by Raytheon, the claimant may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled also to be paid the expense of prosecuting such claim. It

shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any action, suit or proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to Raytheon) that the claimant has not met the standard of conduct which makes it permissible under the DGCL for the Company to indemnify the claimant for the amount claimed. Raytheon shall have the burden of providing such defense. Neither the failure of Raytheon to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in circumstances because the claimant has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by Raytheon that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct. The right to indemnification and the payment of expenses conferred on any person by the Restated Certificate of Incorporation shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the Restated Certificate of Incorporation or the Amended and Restated By-Laws of Raytheon, agreement, vote of stockholders or disinterested directors or otherwise.

Any repeal or modification of the provisions of the Restated Certificate of Incorporation described herein by the stockholders of Raytheon will not adversely affect any limitation on the personal liability of directors for, or any rights of directors in respect of, any cause of action, suit or claim accruing or arising prior to the repeal or modification.

The Restated Certificate of Incorporation also provides that Raytheon may maintain insurance to protect itself and any director, officer, employee or agent of Raytheon or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not Raytheon would have the power to indemnify such person against such expense, liability or loss under DGCL.

Item 22. Undertakings.

(A) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(B) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act that is incorporated by reference in the registration statement) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(C) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(D) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(i) Beneficial owners of interests in a U.S. Global Debenture may receive U.S. Physical Debentures (which shall bear the Private Placement Legend if required by Section 204) in accordance with the procedures of the Depository. In connection with the execution, authentication and delivery of such U.S. Physical Debentures, the Security Registrar shall reflect on its books and records a decrease in the principal amount of the relevant U.S. Global Debenture equal to the principal amount of such U.S. Physical Debentures and the Company shall execute and the Trustee shall authenticate and deliver one or more U.S. Physical Debentures having an equal aggregate principal amount."

to any transfer of interests in the Offshore Global Debentures or Offshore  
Physical Debentures:

(i) prior to the removal of the Private Placement Legend from an Offshore Global Debenture or Offshore Physical Debenture pursuant to Section 204, the Security Registrar shall refuse to register such transfer unless such transfer complies with Section 207(b) or Section 207(d), as the case may be; and

(ii) after such removal, the Security Registrar shall register the transfer of any such Debenture without requiring any additional certification.

(d) Transfers to Non-U.S. Persons at Any Time. The following  
-----  
provisions shall apply with respect to any transfer of a Debenture to a Non-U.S.  
Person:

(i) The Security Registrar shall register any proposed transfer to any Non-U.S. Person if the Debenture to be transferred is a U.S. Physical Debenture or an interest in the U.S. Global Debenture only upon receipt of a certificate substantially in the form of Exhibit E from the proposed transferor.

(ii) (a) If the proposed transferor is an Agent Member holding a beneficial interest in a U.S. Global Debenture, upon receipt by the Security Registrar of (x) the documents required by paragraph (i) and (y) instructions in accordance with the Depository's and the Security Registrar's procedures, the Security Registrar shall reflect on its books and records the date and a decrease in the principal amount of such U.S. Global Debenture in an amount equal to the principal amount of the beneficial interest in the U.S. Global Debenture to be transferred, and (b) if the proposed transferee is an Agent Member, upon receipt by the Security Registrar of instructions given in accordance with the Depository's and the Security Registrar's procedures, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Offshore Global Debenture in an amount equal to the principal amount of the U.S. Physical Debentures or the U.S. Global Debentures, as the case may be, to be transferred, and the Trustee shall cancel the Physical Debenture, if any, so transferred or decrease the amount of the U.S. Global Debenture.

(e) Private Placement Legend. (i) Upon the registration of

-----

transfer, exchange or replacement of Debentures not bearing the Private Placement Legend, the Security Registrar shall deliver Debentures that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Debentures bearing the Private Placement Legend, the Security Registrar shall deliver only Debentures that bear the Private Placement Legend unless either (i) the circumstances contemplated by paragraphs (a)(i)(x) or (c)(ii) of this Section 207 exist or (ii) there is delivered to the Security Registrar an Opinion of Counsel reasonably satisfactory to the Company and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

(ii) After a transfer of any Initial Debentures during the period of the effectiveness of the Shelf Registration Statement with respect to such Initial Debentures, all requirements pertaining to the Private

Placement Legend on such Initial Debentures shall cease to apply and the requirements that any such Initial Debentures be issued in global form shall continue to apply.

(f) General. By its acceptance of any Debenture bearing the Private

-----

Placement Legend, each Holder of such a Debenture acknowledges the restrictions on transfer of such Debenture set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Debenture only as provided in this Indenture. The Security Registrar shall not register a transfer of any Debenture unless such transfer complies with the restrictions on transfer of such Debenture set forth in this Indenture. In connection with any transfer of Debentures, each Holder agrees by its acceptance of the Debentures to furnish the Security Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; provided that the Security Registrar shall not be required to determine (but may

-----

conclusively rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Security Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 305 or this Section 207 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Security Registrar."

SECTION 4. Amendment to Article Three. The third paragraph of

-----

Section 305 of Article Three of the Indenture is hereby supplemented and amended, solely with respect to the Debentures, to read in its entirety as follows:

"Subject to Sections 206 and 207, at the option of the Holder, any series of Debentures may be exchanged for other Securities of such series of any authorized denominations, of a like aggregate

principal amount and Stated Maturity and of like tenor and terms (including an exchange of Debentures for Exchange Debentures), upon surrender of the Debentures to be exchanged at such office or agency. Whenever any Debentures are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Debentures which the Securityholder making the exchange is entitled to receive; provided, that

-----  
 no exchanges of Debentures for Exchange Debentures shall occur until a Registration Statement shall have been declared effective by the Commission (confirmed in an Officers' Certificate delivered to the Trustee) and that any Debentures that are exchanged for Exchange Debentures shall be canceled by the Trustee."

SECTION 5. This Supplemental Indenture. This Supplemental Indenture

-----  
 and the Exhibits hereto shall be construed as supplemental to the Indenture and shall form a part of it, and the Indenture is hereby incorporated by reference herein and each is hereby ratified, approved and confirmed.

SECTION 6. GOVERNING LAW. THIS SUPPLEMENTAL INDENTURE SHALL BE

-----  
 GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. Counterparts. This Supplemental Indenture may be executed

-----  
 in two or more counterparts, each of which shall constitute an original, but all of which when taken together shall constitute but one instrument.

SECTION 8. Headings. The headings of this Supplemental Indenture are

-----  
 for reference only and shall not limit or otherwise affect the meaning hereof.

SECTION 9. Trustee Not Responsible for Recitals. The recitals herein

-----  
 contained are made by the Company and not by the Trustee, and the Trustee assumes no responsibility for the correctness thereof. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture.

## SECTION 10. Separability. In case any one or more of the provisions

-----  
contained in this Supplemental Indenture or in the Debentures shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of the Supplemental Indenture or of the Debentures, but this Supplemental Indenture and the Debentures shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein or therein.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed by their respective authorized officers as of the date first written above.

1. Principal and Interest.

-----

Raytheon Company, a corporation duly organized and existing under the laws of the State of Delaware (herein called the "Company", which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of [ ] Million Dollars [(\$ )] on December 15, [ ], and to pay interest thereon from December 14, 1998, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, semiannually on June 15 and December 15 in each year, commencing June 15, 1999, at the rate of [ ]% per annum, until the principal hereof is paid or made available for payment, and (to the extent that the payment of such interest shall be legally enforceable) at the rate of [ ]% per annum on any overdue principal and premium and on any overdue installment of interest. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Debenture (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Debenture (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Debentures not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Debentures may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of and interest on this Debenture will be made at the office or agency of the Company maintained for that purpose in New York, New York,

in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, -----  
 however, that at the option of the Company payment of interest may be made by  
 - -----  
 check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register.

See paragraph 10 below for a description of circumstances under which Additional Interest may accrue on this Debenture.

2. Paying Agent and Registrar.  
 -----

Initially, the Trustee will be the Paying Agent and the Security Registrar with respect to this Debenture. The Company reserves the right at any time to vary or terminate the appointment of any Paying Agent or Security Registrar, to appoint additional or other Paying Agents and other Security Registrars and to approve any change in the office through which any Paying Agent or Security Registrar acts; provided that there will at all times be a  
 -----

Paying Agent in The City of New York.

3. Redemption.  
 -----

The Debentures will be redeemable as a whole at any time or in part from time to time, at the option of the Company, at a redemption price equal to the greater of (i) 100% of the principal amount of such Debentures and (ii) the sums of the present values of the remaining scheduled payments of principal and interest thereon from the redemption date to December 15, [ ], discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points plus, in either case, any interest accrued but not paid to the date of redemption. Notice of any redemption will be mailed at least 30 days but no more than 60 days before the redemption date to each holder of the Debentures to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Debentures or portions thereof called for redemption. The Debentures will not be subject to any sinking fund provision.

Notice of any redemption will be mailed at least 30 days but no more than 60 days before the redemption date to each holder of the Debentures to be redeemed.

Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Debentures or portions thereof called for redemption.

"Treasury Rate" means, with respect to any redemption date for the Debentures, (i) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Maturity Date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month) or (ii) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

"Comparable Treasury Issue" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Debentures to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes.

"Independent Investment Banker" means one of the Reference Treasury Dealers appointed by the Trustee after consultation with the Company.

"Comparable Treasury Price" means, with respect to any redemption date for the Debentures, (i) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Reference Treasury Dealer" means each of Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated and two other primary U.S. Government securities dealers in New York City (each, a "Primary Treasury Dealer") appointed by the Trustee in consultation with the Company; provided,

-----  
 however, that if any of the foregoing shall cease to be a Primary Treasury  
 -----

Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 5:00 p.m. on the third business day preceding such redemption date.

#### 4. Denominations; Transfer; Exchange.

-----  
 The Debentures are issuable in registered form without coupons, in denominations of \$1,000 and integral multiples thereof. The Debentures may be exchanged for a like aggregate principal amount of Debentures of other authorized denominations at the office or agency of the Company in the Borough of Manhattan, The City of New York, and in the manner and subject to the limitations provided in the Indenture.

Upon due presentment for registration of transfer of this Debenture at the office or agency of the Company in the Borough of Manhattan, The City of New York, a new Debenture or Debentures of authorized denominations for a like aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture.

No service charge shall be made for any such transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax, assessment or other governmental charge payable in connection therewith.

Subject to the provisions of the Indenture, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Debenture is registered as the owner hereof for all purposes, whether or not this Debenture is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

5. Amendment; Supplement; Waiver.

-----

The Indenture contains provisions permitting the Company and the Trustee, with certain exceptions as therein provided, without the consent of the Holders of a majority in principal amount of the outstanding Securities of each series to be affected, to evidence the succession of another Person to the Company; to add to the covenants of the Company for the benefit of the Holders of all or any series of Securities or to surrender any rights or power upon the Company; to add any additional Event of Default; to add to or change certain provisions of the Indenture; to secure the Securities; to establish the form or terms of Securities of any series; to evidence and provide for the acceptance of any successor Trustee; and to cure any ambiguity or to correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of a majority in principal amount of the outstanding Securities of each series to be affected, to execute supplemental indentures adding any provisions to or changing or eliminating any of the provisions of the Indenture or modifying the rights of the Holders of the Securities of such series to be affected, except that no such supplemental indenture may, without the consent of all of the Holders of affected Securities, among other things,

change the fixed maturity of any Securities or reduce the aforesaid percentage in principal amount of Securities of any series the consent of the Holders of which is required for any such supplemental indenture.

The Indenture also permits the Holders of not less than a majority in principal amount of the Outstanding Securities of any series on behalf of the Holders of all Securities of such series to waive compliance by the Company with certain provisions of the Indenture and certain past defaults and their consequences with respect to such series under the Indenture. Any such consent or waiver by the Holder of this Debenture shall be conclusive and binding upon such Holder and upon all future Holders of this Debenture and of any Debenture issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debenture or such other Debenture.

#### 6. Restrictive Covenants.

-----

The Indenture imposes certain limitations of (i) the ability of the Company or its Significant Subsidiaries to suffer to exist or incur Liens, (ii) the ability of the Company or its Significant Subsidiary to enter into transactions involving any sale and leaseback of any Principal Property and (iii) the ability of the Company to merge, consolidate or transfer substantially all of its assets.

#### 7. Defaults and Remedies.

-----

The Indenture provides that, if an Event of Default specified therein with respect to any series of Securities shall have happened and be continuing, either the Trustee or the Holders of 25% in aggregate principal amount of such series of Securities (or 25% in aggregate principal amount of all outstanding Securities under the Indenture, in the case of certain Events of Default affecting all series of Securities under the Indenture) may declare the principal of all such series of Securities to be due and payable.

Events of Default in respect of the Securities of any series are provided in the Indenture and include: (i) default in the payment of any interest on any Security

of that series when it becomes due and payable, and continuance of such default for a period of 30 days; (ii) default in the payment of principal of, or premium, if any, on any Security of that series when it shall become due and payable; (iii) failure to deposit any sinking fund payment when and as due by the terms of a Security of that series; (iv) failure to perform any other covenants or agreements of the Company in the Indenture (other than covenants or agreements included in the Indenture solely for the benefit of a series or series of Securities thereunder other than that series) and continuance of such default for a period of 60 days after either the Trustee or the Holders of at least 25% of the principal amount of the Outstanding Securities of that series have given written notice in the manner provided for therein specifying such failure as provided in the Indenture; (v) certain events of bankruptcy, insolvency or reorganization of the Company; and (vi) any other Event of Default provided with respect to Securities of that series. If an Event of Default occurs with respect to Securities of any series, the Trustee shall give the Holders of the Securities of such series notice of such default, provided,

-----  
 however, that in the case of a default described in (iv) above, no such notice  
 - -----  
 to Holders shall be given until at least 30 days after the occurrence thereof.

If an Event of Default with respect to the Securities of any series at the time outstanding occurs and is continuing, either the Trustee or the Holders of at least 25% of the aggregate principal amount of the Outstanding Securities of that series may declare the principal amount of all the Securities of that series to be due and payable immediately. At any time after a declaration of acceleration with respect to Securities of any series has been made, but before a judgment or decree based on acceleration has been obtained, the Holders of a majority of the aggregate principal amount of Outstanding Securities of that series may, under certain circumstances, rescind and annul such acceleration.

The Indenture provides that the Holders of a majority in aggregate principal amount of the Outstanding Securities of each series may direct the time, method and place of conducting proceedings for remedies available to the Trustee or exercising any trust or power conferred on the Trustee in respect of such series, subject to certain conditions.

## 8. Authentication.

-----

This Debenture shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on the other side of this Debenture.

## 9. Defeasance.

-----

The Indenture provides that the Company may elect either (i) to defease and be discharged from any and all obligations in respect of a series of Securities then outstanding (except for certain obligations to register the transfer of or exchange of such series of Securities, replace stolen, lost or mutilated Securities, maintain paying agencies and hold monies for payment in trust) ("defeasance") or (ii) to be released from its obligations with respect to such series of Securities under any covenants applicable to such series of Securities which are determined pursuant to Section 301 of the Indenture to be subject to covenant defeasance ("covenant defeasance"), and the occurrence of an event described in clause (iv) under "Events of Default" above (insofar as with respect to covenants subject to covenant defeasance) shall no longer be an Event of Default, in the case of either (i) or (ii) if the Company deposits, in trust, with the Trustee money or U.S. Government Obligations, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient, without reinvestment, to pay all the principal of, premium, if any, and interest on such series of Securities on the dates such payments are due (which may include one or more redemption dates designated by the Company) and any mandatory sinking fund or analogous payments thereon in accordance with the terms of such series of Securities.

## 10. Exchange Offer; Registration Rights.

-----

Pursuant to a Registration Rights Agreement, the Company will file with the Commission and use its reasonable best efforts to cause to become effective a Registration Statement with respect to an issue of Debentures identical in all material respects to the

Debentures and, upon becoming effective, to offer the Holders of the Debentures the opportunity to exchange their Initial Debentures for the Exchange Debentures (the "Exchange Offer"). In the event that due to a change in current interpretations by the Commission, the Company is not permitted to effect such Exchange Offer, the Company will instead file a Shelf Registration Statement covering resales by the holders of Debentures and will use its reasonable best efforts to cause such Shelf Registration Statement to become effective and to keep such Shelf Registration Statement effective for two years from the Debentures Closing Date. The Company shall, in the event a Shelf Registration Statement is filed, provide to each Holder of the Debentures copies of the prospectus and notify each such Holder when the Shelf Registration Statement has become effective. A Holder that sells Debentures pursuant to a Shelf Registration Statement generally will be required to be named as a selling security holder in the related prospectus and to deliver a current prospectus to purchasers, and will be subject to certain of the civil liability provisions under the Securities Act in connection with such sales. The Exchange Debentures will be issued (i) under the Indenture or (ii) under an indenture substantially similar to the Indenture, which, in either event, will provide that the Exchange Debentures will not be subject to the transfer restrictions described in the Indenture.

Pursuant to the Registration Rights Agreement, the Company will use its reasonable best efforts to: (i) file the Registration Statement or a Shelf Registration Statement with the Commission within 150 days after the Debenture Closing Date, (ii) have such Registration Statement or Shelf Registration Statement declared effective by the Commission within 180 days after the Debentures Closing Date and (iii) consummate the Exchange Offer and issue the Exchange Debentures in exchange for all Debentures validly tendered in accordance with the terms of the Exchange Offer within 210 days after the Debenture Closing Date, or, in the alternative, cause such Shelf Registration Statement to remain effective for two years from the Debentures Closing Date.

If the Company fails to comply with the above provisions, additional interest (the "Additional Interest") shall accrue on this Debenture as follows:

(i) If the Registration Statement or Shelf Registration Statement is not filed within 150 days following the Debentures Closing Date, then commencing on the 151st day after the Debentures Closing Date, Additional Interest shall accrue on the outstanding principal amount of this Debenture over and above the interest accruing at the rate specified on the face of this Debenture at a rate of .25% per annum; or

(ii) If a Registration Statement or Shelf Registration Statement is not declared effective within 180 days following the Debentures Closing Date, then commencing on the 181st day after the Debentures Closing Date, Additional Interest shall accrue on the outstanding principal amount of this Debenture over and above the interest accruing at the rate specified on the face of this Debenture at a rate of .25% annum; or

(iii) If either (A) the Company has not exchanged Exchange Debentures for all Debentures validly tendered in accordance with the terms of the Exchange Offer on or prior to 30 days after the date on which the Registration Statement was declared effective, or (B) if applicable, the Shelf Registration Statement has been declared effective but such Shelf Registration Statement ceases to be effective at any time prior to two years from the Debentures Closing Date, then Additional Interest shall accrue on the outstanding principal amount of this Debenture over and above the interest accruing at the rate specified on the face of this Debenture at a rate of .25% per annum immediately following the (x) 31st day after such effective date, in the case of (A) above, or (y) the day such Shelf Registration Statement ceases to be effective in the case of (B) above;

provided, however, that the Additional Interest rate on this Debenture shall in  
 - - - - -  
 no event exceed .25% per annum; and, provided, further, that (1) upon the filing  
 - - - - -  
 of the Registration Statement or Shelf Registration Statement (in the case of  
 (i) above), (2) upon the effectiveness of the Registration Statement or Shelf  
 Registration Statement (in

Any amounts of Additional Interest due pursuant to clauses (i), (ii) or (iii) above will be payable in cash, on the same original payment dates as other interest due on this Debenture. If the Company effects the Exchange Offer, the Company will be entitled to close the Exchange Offer provided that the Company has accepted all Debentures theretofore validly tendered in accordance with the terms of the Exchange Offer. Debentures not tendered in the Exchange Offer shall bear interest at the same rates in effect at the time of issuance of the Debentures.

1. Principal and Interest.

-----

Raytheon Company, a corporation duly organized and existing under the laws of the State of Delaware (herein called the "Company", which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of [ ] Million Dollars [(\$ )] on December 15, [ ], and to pay interest thereon from December 14, 1998, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, semiannually on June 15 and December 15 in each year, commencing June 15, 1999, at the rate of [ ]% per annum, until the principal hereof is paid or made available for payment, and (to the extent that the payment of such interest shall be legally enforceable) at the rate of [ ]% per annum on any overdue principal and premium and on any overdue installment of interest. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Exchange Debenture (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Exchange Debenture (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Exchange Debentures not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Exchange Debentures may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of and interest on this Exchange Debenture will be made at the office or agency of the Company maintained for that purpose in New York, New York, in such coin or currency of the United States of

America as at the time of payment is legal tender for payment of public and private debts; provided, however, that at the option of the Company payment of  
 -----  
 interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register.

2. Paying Agent and Registrar.  
 -----

Initially, the Trustee will be the Paying Agent and the Security Registrar with respect to this Exchange Debenture. The Company reserves the right at any time to vary or terminate the appointment of any Paying Agent or Security Registrar, to appoint additional or other Paying Agents and other Security Registrars and to approve any change in the office through which any Paying Agent or Security Registrar acts; provided that there will at all times  
 -----  
 be a Paying Agent in The City of New York.

3. Redemption.  
 -----

The Exchange Debentures will be redeemable as a whole at any time or in part from time to time, at the option of the Company, at a redemption price equal to the greater of (i) 100% of the principal amount of such Exchange Debentures and (ii) the sums of the present values of the remaining scheduled payments of principal and interest thereon from the redemption date to December 15, [ ], discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points plus, in either case, any interest accrued but not paid to the date of redemption. Notice of any redemption will be mailed at least 30 days but no more than 60 days before the redemption date to each holder of the Exchange Debentures to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Exchange Debentures or portions thereof called for redemption. The Exchange Debentures will not be subject to any sinking fund provision.

Notice of any redemption will be mailed at least 30 days but no more than 60 days before the redemption date to each holder of Exchange Debentures to be redeemed.

Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Exchange Debentures or portions thereof called for redemption.

"Treasury Rate" means, with respect to any redemption date for the Exchange Debentures, (i) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Maturity Date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month) or (ii) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

"Comparable Treasury Issue" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Exchange Debentures to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes.

"Independent Investment Banker" means one of the Reference Treasury Dealers appointed by the Trustee after consultation with the Company.

"Comparable Treasury Price" means, with respect to any redemption date for the Exchange Debentures, (i) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Reference Treasury Dealer" means each of Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated and two other primary U.S. Government securities dealers in New York City (each, a "Primary Treasury Dealer") appointed by the Trustee in consultation with the Company; provided, -----  
however, that if any of the foregoing shall cease to be a Primary Treasury  
- -----  
Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 5:00 p.m. on the third business day preceding such redemption date.

#### 4. Denominations; Transfer; Exchange.

-----  
The Exchange Debentures are issuable in registered form without coupons, in denominations of \$1,000 and integral multiples thereof. The Exchange Debentures may be exchanged for a like aggregate principal amount of Exchange Debentures of other authorized denominations at the office or agency of the Company in the Borough of Manhattan, The City of New York, and in the manner and subject to the limitations provided in the Indenture.

Upon due presentment for registration of transfer of this Exchange Debenture at the office or agency of the Company in the Borough of Manhattan, The City of New York, a new Exchange Debenture or Exchange Debentures of authorized denominations for a like aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture.

No service charge shall be made for any such transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax, assessment or other governmental charge payable in connection therewith.

Subject to the provisions of the Indenture, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Exchange Debenture is registered as the owner hereof for all purposes, whether or not this Exchange Debenture is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

## 5. Amendment; Supplement; Waiver.

-----

The Indenture contains provisions permitting the Company and the Trustee, with certain exceptions as therein provided, without the consent of the Holders of a majority in principal amount of the outstanding Securities of each series to be affected, to evidence the succession of another Person to the Company; to add to the covenants of the Company for the benefit of the Holders of all or any series of Securities or to surrender any rights or power upon the Company; to add any additional Event of Default; to add to or change certain provisions of the Indenture; to secure the Securities; to establish the form or terms of Securities of any series; to evidence and provide for the acceptance of any successor Trustee; and to cure any ambiguity, to correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of a majority in principal amount of the outstanding Securities of each series to be affected, to execute supplemental indentures adding any provisions to or changing or eliminating any of the provisions of the Indenture or modifying the rights of the Holders of the Securities of such series to be affected, except that no such supplemental indenture may, without the consent of all of the Holders of affected Securities, among other things, change the fixed maturity of any Securities or reduce the aforesaid percentage in principal amount of Securities of any series the consent of the Holders of which is required for any such supplemental indenture.

The Indenture also permits the Holders of not less than a majority in principal amount of the Outstanding Securities of any series on behalf of the Holders of all Securities of such series to waive compliance by the Company with certain provisions of the Indenture and certain past defaults and their consequences with respect to such series under the Indenture. Any such consent or waiver by the Holder of this Exchange Debenture shall be conclusive and binding upon such Holder and upon all future Holders of this Exchange Debenture and of any Debenture issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Exchange Debenture or such other Debenture.

## 6. Restrictive Covenants.

-----

The Indenture imposes certain limitations of (i) the ability of the Company or its Substantial Subsidiaries to suffer to exist or incur Liens, (ii) the ability of the Company or its Substantial Subsidiary to enter into any transactions involving any sale and leaseback of any Principal Property and (iii) the ability of the Company to merge, consolidate or transfer substantially all of its assets.

## 7. Defaults and Remedies.

-----

The Indenture provides that, if an Event of Default specified therein with respect to any series of Securities shall have happened and be continuing, either the Trustee or the Holders of 25% in aggregate principal amount of such series of Securities (or 25% in aggregate principal amount of all outstanding Securities under the Indenture, in the case of certain Events of Default affecting all series of Securities under the Indenture) may declare the principal of all such series of Securities to be due and payable.

Events of Default in respect of the Securities of any series are provided in the Indenture and include: (i) default in the payment of any interest on any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; (ii) default in the payment of principal of, or premium, if any, on any Security of that series when it shall become due and payable; (iii) failure to deposit any sinking fund payment when and as due by the terms of a Security of that series; (iv) failure to perform any other covenants or agreements of the Company in the Indenture (other than covenants or agreements included in the Indenture solely for the benefit of a series or series of Securities thereunder other than that series) and continuance of such default for a period of 60 days after either the Trustee or the Holders of at least 25% of the principal amount of the

Outstanding Securities of that series have given written notice in the manner provided for therein specifying such failure as provided in the Indenture; (v) certain events of bankruptcy, insolvency or reorganization of the Company; and (vi) any other Event of Default provided with respect to Securities of that series. If an Event of Default occurs with respect to Securities of any series, the Trustee shall give the Holders of the Securities of such series notice of such default, provided, however, that in the case of a default described in (iv)

-----  
 above, no such notice to Holders shall be given until at least 30 days after the occurrence thereof.

If an Event of Default with respect to the Securities of any series at the time Outstanding occurs and is continuing, either the Trustee or the Holders of at least 25% of the aggregate principal amount of the Outstanding Securities of that series may declare the principal amount of all the Securities of that series to be due and payable immediately. At any time after a declaration of acceleration with respect to Securities of any series has been made, but before a judgment or decree based on acceleration has been obtained, the Holders of a majority of the aggregate principal amount of outstanding Securities of that series may, under certain circumstances, rescind and annul such acceleration.

The Indenture provides that the Holders of a majority in aggregate principal amount of the Outstanding Securities of each series may direct the time, method and place of conducting proceedings for remedies available to the Trustee or exercising any trust or power conferred on the Trustee in respect of such series, subject to certain conditions.

#### 8. Authentication.

-----  
 This Exchange Debenture shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on the other side of this Exchange Debenture.

## 9. Defeasance.

-----

The Indenture provides that the Company may elect either (i) to defease and be discharged from any and all obligations in respect of a series of Securities then outstanding (except for certain obligations to register the transfer of or exchange of such series of Securities, replace stolen, lost or mutilated Securities, maintain paying agencies and hold monies for payment in trust) ("defeasance") or (ii) to be released from its obligations with respect to such series of Securities under any covenants applicable to such series of Securities which are determined pursuant to Section 301 of the Indenture to be subject to covenant defeasance ("covenant defeasance"), and the occurrence of an event described in clause (iv) under "Events of Default" above (insofar as with respect to covenants subject to covenant defeasance) shall no longer be an Event of Default, in the case of either (i) or (ii) if the Company deposits, in trust, with the Trustee money or U.S. Government Obligations, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient, without reinvestment, to pay all the principal of, premium, if any, and interest on such series of Securities on the dates such payments are due (which may include one or more redemption dates designated by the Company) and any mandatory sinking fund or analogous payments thereon in accordance with the terms of such series of Securities.

## 10. Exchange Offer; Registration Rights.

-----

[Not Applicable]

## 11. Obligation To Pay Interest Absolute.

-----

No reference herein to the Indenture and no provision of this Exchange Debenture or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal and any premium of and any interest on this Exchange Debenture at the place, rate and respective times and in the coin or currency herein and in the Indenture prescribed.

12. Holders' Compliance with Registration Rights Agreement.  
-----

Each Holder of an Exchange Debenture, by acceptance thereof, acknowledges and agrees to the provisions of the Registration Rights Agreement, including, without limitation, the obligations of the Holders with respect to a registration and the indemnification of the Company to the extent provided therein.

We understand that any subsequent transfer of the Debentures is subject to certain restrictions and conditions set forth in the Indenture dated as of July 3, 1995, as supplemented and amended by the Supplemental Indenture dated as of December 14, 1998 (as so supplemented and amended, the "Indenture"), relating to the Debentures, and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Debentures except in compliance with, such restrictions and conditions and the Securities Act of 1933 (the "Securities Act").

2. We understand that the offer and sale of the Debentures have not been registered under the Securities Act, and that the Debentures may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell any Debentures, we will do so only (A) to the Company, or any subsidiary thereof, (B) in accordance with Rule 144A under the Securities Act to a "qualified institutional buyer" (as defined therein), (C) to an institutional "accredited investor" (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to you and to the Company a signed letter substantially in the form of this letter, (D) outside the United States in accordance with Rule 904 of Regulation S under the Securities Act, (E) pursuant to the exemption from registration provided by Rule 144 under the Securities Act, or (F) pursuant to an effective registration statement under the Securities Act, and we

further agree to provide to any person purchasing any of the Debentures from us a notice advising such purchaser that resales of the Debentures are restricted as stated herein.

3. We understand that, on any proposed resale of any Debentures, we will be required to furnish to you and the Company such certification, legal opinions and other information as you and the Company may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Debentures purchased by us will bear a legend to the foregoing effect.

4. We are an institutional "accredited investor" (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Debentures and any accounts for which we are acting are each able to bear the economic risk of our or its investment.

5. We are acquiring the Debentures purchased by us for our own account or for one or more accounts (each of which is an institutional "accredited investor") as to each of which we exercise sole investment discretion.

You and the Company are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.

Ladies and Gentlemen:

I am Senior Vice President and Secretary of Raytheon Company, a Delaware Corporation (the "Company") and am rendering this opinion in connection with a registration statement on Form S-4 (the "Registration Statement") of the Company being filed today with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the following Securities of the Company: (i) \$250,000,000 of 6% Exchange Debentures Due 2010 (the "Debentures Due 2010"); and (ii) \$550,000,000 of 6.40% Exchange Debentures Due 2018 (referred to hereinafter, together with the Debentures Due 2010, as the "Registered Securities"), to be issued in exchange for outstanding securities of the Company.

As Senior Vice President and Secretary of the Company, I have examined and am familiar with the Restated Certificate of Incorporation of the Company, as amended to date. Ladies and Gentlemen:

Upon the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to Raytheon the above described aggregate principal amount of Raytheon's outstanding 6% Debentures Due 2010 (the "Debentures Due 2010"), for the same aggregate principal amount of 6% Exchange Debentures Due 2010 (the "Exchange Debentures Due 2010") and the above described aggregate principal amount of Raytheon's outstanding 6.40% Debentures Due 2018 (the "Debentures 2018", and, collectively with the "Debentures Due 2010", the "Initial Debentures") for the same aggregate principal amount of 6.40% Exchange Debentures Due 2018 (the "Exchange Debentures Due 2018", and, collectively with the "Exchange Debentures Due 2010", the "Exchange Debentures") upon the terms and subject to the conditions set forth in the Prospectus, receipt of which is acknowledged, and in this Letter of Transmittal (which, together with the Prospectus, constitute the "Exchange Offer").

Subject to and effective upon the acceptance for exchange of all or any portion of the Initial Debentures tendered herewith in accordance with the terms and conditions of the Exchange Offer (including, if the Exchange Offer is extended or amended, the terms and conditions of any such extension or amendment), the undersigned hereby sells, assigns and transfers to or upon the order of Raytheon all right, title and interest in and to such Initial Debentures as are being tendered herewith. The undersigned hereby irrevocably constitutes and appoints the Exchange Agent as its agent and attorney-in-fact (with full knowledge that the Exchange Agent is also acting as agent of Raytheon in connection with the Exchange Offer) with respect to the tendered Initial Debentures, with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest) subject only to the right of withdrawal described in the Prospectus, to (i) deliver Certificates for Initial Debentures to Raytheon together with all accompanying evidences of transfer and authenticity to, or upon the order of, Raytheon, upon receipt by the Exchange Agent, as the undersigned's agent, of the Exchange Debentures to be issued in exchange for such Initial Debentures, (ii) present Certificates for such Initial Debentures for transfer, and to transfer the Initial Debentures on the books of Raytheon, and (iii) receive for the account of Raytheon all benefits and otherwise exercise all rights of beneficial ownership of such Initial Debentures, all in accordance with the terms and conditions of the Exchange Offer.

THE UNDERSIGNED HEREBY REPRESENTS AND WARRANTS THAT THE UNDERSIGNED HAS FULL POWER AND AUTHORITY TO TENDER, EXCHANGE, SELL, ASSIGN AND TRANSFER THE INITIAL DEBENTURES TENDERED HEREBY AND THAT, WHEN THE SAME ARE ACCEPTED FOR EXCHANGE, RAYTHEON WILL ACQUIRE GOOD, MARKETABLE AND UNENCUMBERED TITLE THERETO, FREE AND CLEAR OF ALL LIENS, RESTRICTIONS, CHARGES AND ENCUMBRANCES, AND THAT THE INITIAL DEBENTURES TENDERED HEREBY ARE NOT SUBJECT TO ANY ADVERSE CLAIMS OR PROXIES. THE UNDERSIGNED WILL, UPON REQUEST, EXECUTE AND DELIVER ANY ADDITIONAL DOCUMENTS DEEMED BY RAYTHEON OR THE EXCHANGE AGENT TO BE NECESSARY OR DESIRABLE TO COMPLETE THE EXCHANGE, ASSIGNMENT AND TRANSFER OF THE INITIAL DEBENTURES TENDERED HEREBY, AND THE UNDERSIGNED WILL COMPLY WITH ITS OBLIGATIONS UNDER THE REGISTRATION RIGHTS AGREEMENT DATED AS OF DECEMBER 9, 1998, BETWEEN RAYTHEON AND THE INITIAL PURCHASERS OF THE INITIAL DEBENTURES (THE "REGISTRATION RIGHTS AGREEMENT"). THE UNDERSIGNED HAS READ AND AGREES TO ALL OF THE TERMS OF THE EXCHANGE OFFER.

The name(s) and address(es) of the registered holder(s) of the Initial Debentures tendered hereby should be printed above, if they are not already set forth above, as they appear on the Certificates representing such Initial Debentures. The Certificate number(s) and the Initial Debentures that the undersigned wishes to tender should be indicated in the appropriate boxes above.

If any tendered Initial Debentures are not exchanged pursuant to the Exchange Offer for any reason, or if Certificates are submitted for more Initial Debentures than are tendered or accepted for exchange, Certificates for such nonexchanged or nontendered Initial Debentures will be returned (or, in the case of Initial Debentures tendered by book-entry transfer, such Initial Debentures will be credited to an account maintained at DTC), without expense to the tendering holder, promptly following the expiration or termination of the Exchange Offer.

The undersigned understands that tenders of Initial Debentures pursuant to any one of the procedures described in "Exchange Offer--Procedures for Tendering Initial Debentures" and "Description of Debentures--Book-Entry, Delivery and Form" in the Prospectus and in the instruction attached hereto will, upon Raytheon's acceptance for exchange of such tendered Initial Debentures, constitute a binding agreement between the undersigned and Raytheon upon the terms and subject to the conditions of the Exchange Offer. The undersigned recognizes that, under certain circumstances set forth in the Prospectus, Raytheon may not be required to accept for exchange any of the Initial Debentures tendered hereby.

Unless otherwise indicated herein in the box entitled "Special Issuance Instructions" below, the undersigned hereby directs that the Initial Debentures be issued in the name(s) of the undersigned or, in the case of a book-entry transfer of Initial Debentures, that such Initial Debentures be credited to the account indicated above maintained at DTC. If applicable, substitute Certificates representing Initial Debentures not exchanged or not accepted for exchange will be issued to the undersigned or, in the case of a book-entry transfer of Initial Debentures, will be credited to the account indicated above maintained at DTC. Similarly, unless otherwise indicated under "Special Delivery Instructions," please deliver Initial Debentures to the undersigned at the address shown below the undersigned's signature.

BY TENDERING INITIAL DEBENTURES AND EXECUTING THIS LETTER OF TRANSMITTAL, THE UNDERSIGNED HEREBY REPRESENTS AND AGREES THAT (I) THE UNDERSIGNED IS NOT AN "AFFILIATE" OF RAYTHEON, (II) ANY EXCHANGE DEBENTURES TO BE RECEIVED BY THE UNDERSIGNED ARE BEING ACQUIRED IN THE ORDINARY COURSE OF ITS BUSINESS, (III) THE UNDERSIGNED IS NOT ENGAGED IN, AND DOES NOT INTEND TO ENGAGE IN, AND HAS NO ARRANGEMENT OR UNDERSTANDING WITH ANY PERSON TO PARTICIPATE IN, A DISTRIBUTION (WITHIN THE MEANING OF THE SECURITIES ACT) OF EXCHANGE DEBENTURES TO BE RECEIVED IN THE EXCHANGE OFFER. BY TENDERING INITIAL DEBENTURES PURSUANT TO THE EXCHANGE OFFER AND EXECUTING THIS LETTER OF TRANSMITTAL, A HOLDER OF INITIAL DEBENTURES WHICH IS A BROKER-DEALER REPRESENTS AND AGREES, CONSISTENT WITH CERTAIN INTERPRETIVE LETTERS ISSUED BY THE STAFF OF THE DIVISION OF CORPORATION FINANCE OF THE SECURITIES AND EXCHANGE COMMISSION TO THIRD PARTIES, THAT (A) SUCH INITIAL DEBENTURES HELD BY THE BROKER-DEALER ARE HELD ONLY AS A NOMINEE, OR (B) SUCH INITIAL DEBENTURES WERE ACQUIRED BY SUCH BROKER-DEALER FOR ITS OWN ACCOUNT AS A RESULT OF MARKET-MAKING ACTIVITIES OR OTHER TRADING ACTIVITIES AND IT WILL DELIVER THE PROSPECTUS MEETING THE REQUIREMENTS OF THE SECURITIES ACT IN CONNECTION WITH ANY RESALE OF SUCH EXCHANGE DEBENTURES (PROVIDED THAT, BY SO ACKNOWLEDGING AND BY DELIVERING A PROSPECTUS, SUCH BROKER-DEALER MAY NOT BE DEEMED TO BE AN "UNDERWRITER" WITHIN THE MEANING OF THE SECURITIES ACT). RAYTHEON HAS AGREED THAT, SUBJECT TO THE PROVISIONS OF THE REGISTRATION RIGHTS AGREEMENT, THE PROSPECTUS, AS IT MAY BE AMENDED OR SUPPLEMENTED FROM TIME TO TIME, MAY BE USED BY A PARTICIPATING BROKER-DEALER (AS DEFINED BELOW) IN CONNECTION WITH REALES OF EXCHANGE DEBENTURES RECEIVED IN EXCHANGE FOR INITIAL DEBENTURES, WHERE SUCH INITIAL DEBENTURES WERE ACQUIRED BY SUCH PARTICIPATING BROKER-DEALER FOR ITS OWN ACCOUNT AS A RESULT OF MARKET-MAKING ACTIVITIES OR OTHER TRADING ACTIVITIES, FOR A PERIOD ENDING 90 DAYS AFTER THE EXCHANGE OFFER REGISTRATION STATEMENT IS DECLARED EFFECTIVE (SUBJECT TO EXTENSION UNDER CERTAIN LIMITED CIRCUMSTANCES DESCRIBED IN THE PROSPECTUS) OR, IF EARLIER, WHEN ALL SUCH EXCHANGE DEBENTURES HAVE BEEN DISPOSED OF BY SUCH PARTICIPATING BROKER-DEALER. IN THAT REGARD, EACH BROKER-DEALER WHO ACQUIRED INITIAL DEBENTURES FOR ITS OWN ACCOUNT AS A RESULT OF MARKET-MAKING OR OTHER TRADING ACTIVITIES (A "PARTICIPATING BROKER-DEALER"), BY TENDERING SUCH INITIAL DEBENTURES AND EXECUTING THIS LETTER OF TRANSMITTAL, AGREES THAT, UPON RECEIPT OF NOTICE FROM RAYTHEON OF THE OCCURRENCE OF ANY EVENT OR THE DISCOVERY OF ANY FACT WHICH MAKES ANY STATEMENT CONTAINED OR INCORPORATED BY REFERENCE IN THE PROSPECTUS UNTRUE IN ANY MATERIAL RESPECT OR THAT REQUIRES THE MAKING OF ANY ADDITIONS TO OR CHANGES IN THE PROSPECTUS IN ORDER TO MAKE THE STATEMENTS CONTAINED OR INCORPORATED BY REFERENCE THEREIN, IN LIGHT OF THE CIRCUMSTANCES UNDER WHICH THEY WERE MADE, NOT MISLEADING OR OF THE OCCURRENCE OF CERTAIN OTHER EVENTS SPECIFIED IN THE REGISTRATION RIGHTS

AGREEMENT, SUCH PARTICIPATING BROKER-DEALER WILL SUSPEND THE SALE OF EXCHANGE DEBENTURES PURSUANT TO THE PROSPECTUS UNTIL RAYTHEON HAS AMENDED OR SUPPLEMENTED THE PROSPECTUS TO CORRECT SUCH MISSTATEMENT OR OMISSION AND HAS FURNISHED COPIES OF THE AMENDED OR SUPPLEMENTED PROSPECTUS TO THE PARTICIPATING BROKER-DEALER OR RAYTHEON HAS GIVEN NOTICE THAT THE SALE OF THE EXCHANGE DEBENTURES MAY BE RESUMED, AS THE CASE MAY BE. IF RAYTHEON GIVES SUCH NOTICE TO SUSPEND THE SALE OF THE EXCHANGE DEBENTURES, IT SHALL EXTEND THE 90-DAY PERIOD REFERRED TO ABOVE DURING WHICH PARTICIPATING BROKER DEALERS ARE ENTITLED TO USE THE PROSPECTUS IN CONNECTION WITH THE RESALE OF EXCHANGE DEBENTURES BY THE NUMBER OF DAYS DURING THE PERIOD FROM AND INCLUDING THE DATE OF THE GIVING OF SUCH NOTICE TO AND INCLUDING THE DATE WHEN PARTICIPATING BROKER-DEALERS SHALL HAVE RECEIVED COPIES OF THE SUPPLEMENTED OR AMENDED PROSPECTUS NECESSARY TO PERMIT REALES OF THE EXCHANGE DEBENTURES OR TO AND INCLUDING THE DATE ON WHICH RAYTHEON HAS GIVEN NOTICE THAT THE SALE OF EXCHANGE DEBENTURES MAY BE RESUMED, AS THE CASE MAY BE.

Holders of Initial Debentures whose Initial Debentures are accepted for exchange will not receive accrued interest on such Initial Debentures for any period from and after the last Interest Payment Date to which interest has been paid or duly provided for on such Initial Debentures prior to the original issue date of the Exchange Debentures or, if no such interest has been paid or duly provided for, will not receive any accrued interest on such Initial Debentures, and the undersigned waives the right to receive any interest on such Initial Debentures accrued from and after such Interest Payment Date or, if no such interest has been paid or duly provided for, from and after \_\_\_\_\_, 1999.

The undersigned will, upon request, execute and deliver any additional documents deemed by Raytheon to be necessary or desirable to complete the sale, assignment and transfer of the Initial Debentures tendered hereby. All authority herein conferred or agreed to be conferred in this Letter of Transmittal shall survive the death or incapacity of the undersigned and any obligation of the undersigned hereunder shall be binding upon the heirs, executors, administrators, personal representatives, trustees in bankruptcy, legal representatives, successors and assigns of the undersigned. Except as stated in the Prospectus, this tender is irrevocable.

THE UNDERSIGNED, BY COMPLETING THE BOX ENTITLED "DESCRIPTION OF INITIAL DEBENTURES" ABOVE AND SIGNING THIS LETTER, WILL BE DEEMED TO HAVE TENDERED THE INITIAL DEBENTURES AS SET FORTH IN SUCH BOX.

INSTRUCTIONS FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER

1. DELIVERY OF LETTER OF TRANSMITTAL AND CERTIFICATES; GUARANTEED DELIVERY PROCEDURES.

(A) If the holder is tendering Certificates, such holder must deliver (i) the Certificate(s) representing the Initial Debentures tendered, (ii) a properly completed and duly executed copy of this Letter of Transmittal and (iii) any other documents required by this letter of transmittal, all of which must be received by the exchange agent at its address set forth herein prior to the Expiration Date.

(B) If the holder is tendering Initial Debentures by book-entry transfer, such holder must (i) utilize DTC's ATOP system to tender such holder's initial debentures, to an account established at DTC by the Exchange Agent, (ii) make the agent's message and cause a timely confirmation of a book-entry transfer (a "Book-Entry Confirmation") to be issued to the Exchange Agent or deliver a properly completed and duly executed copy of this Letter of Transmittal and (iii) deliver any other documents required by this Letter of Transmittal, all of which must be received by the Exchange Agent at its DTC account or address set forth herein prior to the Expiration Date.

The method of delivery of certificates for Initial Debentures and all other required documents is at the election and risk of the tendering holder and delivery will be deemed made only when actually received by the Exchange Agent. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. Instead of delivery by mail it is recommended that the holder use an overnight or hand delivery service. In all cases, sufficient time should be allowed to assure timely delivery. In no event should any initial debentures or documentation be sent to Raytheon. Neither Raytheon nor the registrar is under any obligation to notify any tendering holder of Raytheon's acceptance of tendered Initial Debentures prior to the Expiration Date.

This Letter of Transmittal is to be completed either if (a) Certificates are to be forwarded herewith or (b) tenders are to be made pursuant to the procedures for tender by book-entry transfer set forth in "Exchange Offer--Procedures for Tendering Initial Debentures" and "Description of Debentures--Book-Entry, Delivery and Form" in the Prospectus. Certificates, or timely confirmation of a book-entry transfer of such Initial Debentures into the Exchange Agent's account at DTC, as well as this Letter of Transmittal (or facsimile thereof), properly completed and duly executed, with any required signature guarantees, and any other documents required by this Letter of Transmittal (or electronic acknowledgment and agreement thereto in the case of exchanges made through DTC's ATOP system), must be received by the Exchange Agent at its address set forth herein on or prior to the Expiration Date. Initial Debentures may be tendered in whole or in part in the principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that, if any Initial Debentures are tendered for exchange in part, the untendered principal amount thereof must be \$1,000 or an integral multiple of \$1,000 in excess thereof.

Holders who wish to tender their Initial Debentures and (i) whose Initial Debentures are not immediately available or (ii) who cannot deliver their Initial Debentures, this Letter of Transmittal and all other required documents to the Exchange Agent on or prior to the Expiration Date or (iii) who cannot complete the procedures for delivery by book-entry transfer on a timely basis, may tender their Initial Debentures by properly completing and duly executing a Notice of Guaranteed Delivery pursuant to the guaranteed delivery procedures set forth in "Exchange Offer--Procedures for Tendering Initial Debentures" in the Prospectus. Pursuant to such procedures: (i) such tender must be made by or through an Eligible Institution (as defined below); (ii) a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form made available by the Company, must be received by the Exchange Agent on or prior to the Expiration Date; and (iii) the Certificates (or a Book-Entry Confirmation) representing all tendered Initial Debentures, in proper form for transfer, together with a Letter of Transmittal (or facsimile thereof) or a properly transmitted Agent's Message, properly completed and duly executed, with any required signature guarantees and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent within three business days after the date of execution of such Notice of Guaranteed Delivery, all as provided in "Exchange Offer--Procedures for Tendering Initial Debentures" in the Prospectus.

The Notice of Guaranteed Delivery may be delivered by hand or transmitted by facsimile or mail to the Exchange Agent, and must include a guarantee by an Eligible Institution in the form set forth in such Notice. For Initial Debentures to be properly tendered pursuant to the guaranteed delivery procedure, the Exchange Agent must receive a Notice of Guaranteed Delivery on or prior to the Expiration Date. As used herein and in the Prospectus, "eligible institution" means a firm or other entity identified in rule 17ad-15 under the exchange act as "an eligible guarantor institution," including (as such terms are defined therein) (i) a bank; (ii) a broker, dealer, municipal securities broker or dealer or government securities broker or dealer; (iii) a credit union; (iv) a national securities exchange, registered securities association or clearing agency; or (v) a savings association (as that term is defined in Section 3(b) of the Federal Deposit Insurance Act).

THE METHOD OF DELIVERY OF CERTIFICATES, THIS LETTER OF TRANSMITTAL AND ALL OTHER REQUIRED DOCUMENTS IS AT THE ELECTION AND RISK OF THE TENDERING HOLDER AND THE DELIVERY WILL BE DEEMED MADE ONLY WHEN ACTUALLY RECEIVED BY THE EXCHANGE AGENT. IF DELIVERY IS BY MAIL, REGISTERED MAIL WITH RETURN RECEIPT REQUESTED, PROPERLY INSURED, OR OVERNIGHT DELIVERY SERVICE IS RECOMMENDED. IN ALL CASES. SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY. NO INITIAL DEBENTURES OR LETTERS OF TRANSMITTAL SHOULD BE SENT TO RAYTHEON.

Raytheon will not accept any alternative, conditional or contingent tenders. Each tendering holder, by execution of a Letter of Transmittal (or facsimile thereof), waives any right to receive any notice of the acceptance of such tender.

2. GUARANTEE OF SIGNATURES. No signature guarantee on this Letter Of Transmittal is required if:

- (i) this Letter of Transmittal is signed by the registered holder (which term, for purposes of this document, shall include any participant in DTC whose name appears on the register of holders maintained by Raytheon as the owner of the Initial Debentures) of Initial Debentures tendered herewith, unless such holder(s) has completed either the box entitled "Special Issuance Instructions" or the box entitled "Special Delivery Instructions" above, or
- (ii) such Initial Debentures are tendered for the account of a firm that is an Eligible Institution.

In all other cases, an Eligible Institution must guarantee the signatures on this Letter of Transmittal. See Instruction 5.

3. INADEQUATE SPACE. If the space provided in the box captioned "Description of Initial Debentures" is inadequate, the Certificate number(s) and/or the principal amount of Initial Debentures and any other required information should be listed on a separate signed schedule which is attached to this Letter of Transmittal.

4. PARTIAL TENDERS AND WITHDRAWAL RIGHTS. Tenders of Initial Debentures will be accepted only in the principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that if any Initial Debentures are tendered for exchange in part, the untendered principal amount thereof must be \$1,000 or an integral multiple of \$1,000 in excess thereof. If less than all the Initial Debentures evidenced by any Certificate submitted are to be tendered, fill in the principal amount of Initial Debentures which are to be tendered in the box entitled "Principal Amount of Initial Debentures Tendered (if less than all)." In such case, new Certificate(s) for the remainder of the Initial Debentures that were evidenced by your old Certificate(s) will only be sent to the holder of the Existing Security, promptly after the Expiration Date. All Initial Debentures represented by Certificates delivered to the Exchange Agent will be deemed to have been tendered unless otherwise indicated.

Except as otherwise provided herein, tenders of Initial Debentures may be withdrawn at any time on or prior to 5:00 p.m., New York City time, on the business day prior to the Expiration Date. In order for a withdrawal to be effective on or prior to that time, a written, telegraphic, telex or facsimile transmission of such notice of withdrawal must be timely received by the Exchange Agent at one of its addresses set forth above or in the Prospectus no later than 5:00 P.M. of the business day prior to the Expiration Date. Any such notice of withdrawal must (i) specify the name of the person having tendered the Initial Debentures to be withdrawn (the "Depositor") the name in which the Initial Debentures are registered (or, if tendered by book-entry transfer, the name of the participant in DTC whose name appears on a security participant listing as the owner of such Initial Debentures) if different from that of the Depositor, (ii) identify the Initial Debentures to be withdrawn (including the certificate number or numbers of the certificate or certificates representing such Initial Debentures and the aggregate principal amount of such Initial Debentures), (iii) be signed by the holder in the same manner as the original signature on the Letter of Transmittal by which such Initial Debentures were tendered (including any required signature guarantees) or be accompanied by documents of transfer sufficient to permit the Transfer Agent of such Initial Debentures to register the transfer of such Initial Debentures into the name of the person withdrawing the tender and (iv) specify the name in which any such Initial Debentures are to be registered, if different from the Depositor. If Initial Debentures have been tendered pursuant to the procedures for book-entry, transfer set forth in the Prospectus under "Exchange Offer--Procedures for Tendering Initial Debentures" and "Description of Debentures--Book-Entry, Delivery and Form," the notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawal of Initial Debentures, in which case a notice of withdrawal will be effective if delivered to the Exchange Agent by written, telegraphic, telex or facsimile transmission. Withdrawals of tenders of Initial Debentures may not be rescinded. Initial Debentures properly withdrawn will not be deemed validly tendered for purposes of the Exchange Offer, but may be retendered at any subsequent time on or prior to the Expiration Date by following any of the procedures described in the Prospectus under "Exchange Offer--Procedures for Tendering Initial Debentures" and "Description of Debentures--Book-Entry, Delivery and Form."

All questions as to the validity, form and eligibility (including time of receipt) of such withdrawal notices will be determined by Raytheon, in its sole discretion, whose determination shall be final and binding on all parties. None of Raytheon, any affiliates or assigns of Raytheon, the Exchange Agent or any other person shall be under any duty to give any notification of any irregularities in any notice of withdrawal or incur any liability for failure to give any such notification. Any Initial Debentures which have been tendered but which are withdrawn will be returned to the holder thereof without cost to such holder promptly after withdrawal.

5. SIGNATURES ON LETTER OF TRANSMITTAL, ASSIGNMENTS AND ENDORSEMENTS. If this Letter of Transmittal is signed by the registered holder(s) of the Initial Debentures tendered hereby, the signature(s) must correspond exactly with the name(s) as written on the face of the Certificate(s) without alteration, enlargement or any change whatsoever.

If any of the Initial Debentures tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.

If any tendered Initial Debentures are registered in different name(s) on several Certificates, it will be necessary to complete, sign and submit as many separate Letters of Transmittal (or facsimiles thereof) as there are different registrations of Certificates.

If this Letter of Transmittal or any Certificates or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary, or representative capacity, such persons should so indicate when signing and must submit proper evidence satisfactory, to Raytheon, in its sole discretion, of each such person's authority so to act.

When this Letter of Transmittal is signed by the registered owner(s) of the Initial Debentures listed and transmitted hereby, no endorsement(s) of Certificate(s) or separate bond power(s) are required unless Exchange Debentures are to be issued in the name of a person other than the registered holder(s). Signature(s) on such Certificate(s) or bond power(s) must be guaranteed by an Eligible Institution.

If this Letter of Transmittal is signed by a person other than the registered owner(s) of the Initial Debentures listed, the Certificates must be endorsed or accompanied by appropriate bond powers, signed exactly as the name or names of the registered owner(s) appear(s) on the Certificates, and also must be accompanied by such opinions of counsel, certifications and other information as Raytheon or the Trustee for the Initial Debentures may require in accordance with the restrictions on transfer applicable to the Initial Debentures. Signatures on such Certificates or bond powers must be guaranteed by an Eligible Institution.

6. SPECIAL ISSUANCE AND DELIVERY INSTRUCTIONS. If Exchange Debentures are to be issued in the name of a person other than the signer of this Letter of Transmittal, or if Exchange Debentures are to be sent to someone other than the signer of this Letter of Transmittal or to an address other than that shown above, the appropriate boxes on this Letter of Transmittal should be completed. Certificates for Initial Debentures not exchanged will be returned by mail or, if tendered by book-entry transfer, by crediting the account indicated above maintained at DTC. See Instruction 4.

7. IRREGULARITIES. Raytheon will determine, in its sole discretion, all questions as to the form of documents, validity, eligibility (including time of receipt) and acceptance for exchange of any tender of Initial Debentures, which determination shall be final and binding on all parties. Raytheon reserves the absolute right to reject any and all tenders that it determines are not in proper form or the acceptance of which, or exchange for which, may, in the view of counsel to Raytheon, be unlawful. Raytheon also reserves the absolute right, subject to applicable law, to waive any of the conditions of the Exchange Offer set forth in the Prospectus under "Exchange Offer--Certain Conditions to the Exchange Offer" and "Description of Debentures--Book-Entry, Delivery and Form" or any conditions or irregularity in any tender of Initial Debentures of any particular holder whether or not similar conditions or irregularities are waived in the case of other holders. Raytheon's interpretation of the terms and conditions of the Exchange Offer (including this Letter of Transmittal and the instructions hereto) will be final and binding. No tender of Initial Debentures, will be deemed to have been validly made until all irregularities with respect to such tender have been cured or waived. Neither Raytheon, any affiliates or assigns of Raytheon, the

Exchange Agent, or any other person shall be under any duty to give notification of any irregularities in tenders or incur any liability for failure to give such notification.

8. **QUESTIONS, REQUESTS FOR ASSISTANCE AND ADDITIONAL COPIES.** Questions and requests for assistance may be directed to the Exchange Agent at its address and telephone number set forth on the front of this Letter of Transmittal. Additional copies of the Prospectus, the Notice of Guaranteed Delivery and the Letter of Transmittal may be obtained from the Exchange Agent or from your broker, dealer, commercial bank, trust company or other nominee.

9. **31% BACKUP WITHHOLDING; SUBSTITUTE FORM W-9.** Under U.S. Federal income tax law, a holder whose tendered Initial Debentures are accepted for exchange is required to provide the Exchange Agent with such holder's correct taxpayer identification number ("TIN") on Substitute Form W-9 below. If the Exchange Agent is not provided with the correct TIN, the Internal Revenue Service (the "IRS") may subject the holder or other payee to a \$50 penalty. In addition, payments to such holders or other payees with respect to Initial Debentures exchanged pursuant to the Exchange Offer may be subject to 31% backup withholding.

The box in Part 2 of the Substitute Form W-9 may be checked if the tendering holder has not been issued a TIN and has applied for a TIN or intends to apply for a TIN in the near future. If the box in Part 2 is checked, the holder or other payee must also complete the Certificate of Awaiting Taxpayer Identification Number below in order to avoid backup withholding. Notwithstanding that the box in Part 2 is checked and the Certificate of Awaiting Taxpayer Number is completed, the Exchange Agent will withhold 31% of all payments made prior to the time a properly certified TIN is provided to the Exchange Agent. The Exchange Agent will retain such amounts, withheld during the 60 day period following the date of the Substitute Form W-9. If the holder furnishes the Exchange Agent with its TIN within 60 days after the date of the Substitute Form W-9, the amounts retained during the 60 day period will be remitted to the holder and no further amounts shall be retained or withheld from payments made to the holder thereafter. If, however, the holder has not provided the Exchange Agent with its TIN within such 60 day period, amounts withheld will be remitted to the IRS as backup withholding. In addition, 31% of all payments made thereafter will be withheld and remitted to the IRS until a correct TIN is provided.

The holder is required to give the Exchange Agent the TIN (e.g., social security number or employer identification number) of the registered owner of the Initial Debentures or of the last transferal appearing, on the transfers attached to, or endorsed on, the Initial Debentures. If the Initial Debentures are registered in more than one name or are not in the name of the actual owner, consult the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for additional guidance on which number to report.

Certain holders (including, among others, corporations, financial institutions and certain foreign persons) may not be subject to these backup withholding and reporting requirements. Such holders should nevertheless complete the attached Substitute Form W-9 below, and write "exempt" on the face thereof, to avoid possible erroneous backup withholding. A foreign person may qualify as an exempt recipient by submitting a properly completed IRS Form W-8, signed under penalties of perjury, attesting to that holder's exempt status. Please consult the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for additional guidance on which holders are exempt from backup withholding.

Backup Withholding is not an additional U.S. Federal income tax. Rather, the U.S. Federal income tax liability of a person subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained.

10. **WAIVER OF CONDITIONS.** Raytheon reserves the absolute right to waive satisfaction of any or all conditions enumerated in the Prospectus.

11. **NO CONDITIONAL TENDERS.** No alternative, conditional, irregular or contingent tenders will be accepted. All tendering holders of Initial Debentures, by execution of this Letter of Transmittal, shall waive any right to receive notice of the acceptance of their Initial Debentures for exchanges.

Neither Raytheon, any affiliates or assigns of Raytheon, the Exchange Agent nor any other person is obligated to give notice of any defect or irregularity with respect to any tender of Initial Debentures nor shall any of them incur any liability for failure to give any such notice.

12. LOST, DESTROYED OR STOLEN CERTIFICATES. If any Certificate(s) representing Initial Debentures have been lost, destroyed or stolen, the holder should promptly notify the Exchange Agent. The holder will then be instructed as to the steps that must be taken in order to replace the Certificate(s). This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, destroyed or stolen Certificate(s) have been followed.

13. SECURITY TRANSFER TAXES. Holders who tender their Initial Debentures for exchange will not be obligated to pay any transfer taxes in connection therewith. If, however, Initial Debentures are to be delivered to, or are to be issued in the name of, any person other than the registered holder of the Initial Debentures tendered, or if a transfer tax is imposed for any reason other than the exchange of Initial Debentures in connection with the Exchange Offer, then the amount of any such transfer tax (whether imposed on the registered holder or any other persons) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted with the Letter of Transmittal, the amount of such transfer taxes will be billed directly to such tendering holder.

14. INCORPORATION OF LETTER OF TRANSMITTAL. This Letter of Transmittal shall be deemed to be incorporated in and acknowledged and accepted by any tender through DTC's ATOP procedures by any DTC participant on behalf of itself and the beneficial owners of any Initial Debentures tendered by book-entry transfer.

EXCHANGE AGENT AGREEMENT

The Bank of New York  
Corporate Trust Division  
101 Barclay Street, 21W  
New York, New York 10286

Ladies and Gentlemen:

Raytheon Company (the "Company") proposes to make an offer (the "Exchange Offer") to exchange its outstanding 6% Debentures Due 2010 (the "Initial Debentures Due 2010") and 6.40% Debentures Due 2018 (the "Initial Debentures Due 2018", and collectively with the Initial Debentures Due 2010, the "Initial Debentures"), for 6% Exchange Debentures due 2010 (the "Exchange Debentures Due 2010") and 6.40% Exchange Debentures due 2018 (the "Exchange Debentures Due 2018" and collectively with the Exchange Debentures Due 2010, the "Exchange Debentures"), respectively. The terms and conditions of the Exchange Offer as currently contemplated are set forth in a prospectus, dated \_\_\_\_\_, 1999 (the "Prospectus"), and a letter of transmittal (the "Letter of Transmittal"), which are proposed to be distributed to all record holders of the Initial Debentures. The Initial Debentures and the Exchange Debentures are collectively referred to herein as the "Debentures."

The Company hereby appoints The Bank of New York to act as exchange agent (the "Exchange Agent") in connection with the Exchange Offer. References hereinafter to "you" shall refer to The Bank of New York.

The Exchange Offer is expected to be commenced by the Company on or about \_\_\_\_\_, 1999. The Letter of Transmittal accompanying the Prospectus (or in the case of book entry Debentures, the ATOP system) is to be used by the holders of the Initial Debentures to accept the Exchange Offer and contains instructions with respect to the delivery of certificates for Initial Debentures tendered in connection therewith.

The Exchange Offer shall expire at 5:00 P.M., New York City time, on \_\_\_\_\_, 1999 or on such later date or time to which the Company may extend the Exchange Offer (the "Expiration Date"). Subject to the terms and conditions set forth in the Prospectus, the Company expressly reserves the right to extend the Exchange Offer from time to time and may extend the Exchange Offer by giving oral (confirmed in writing) or written notice to you before 9:00 A.M., New York City time, on the business day following the previously scheduled Expiration Date.

The Company expressly reserves the right to amend or terminate the Exchange Offer, and not to accept for exchange any Initial Debentures not theretofore accepted for exchange, upon the occurrence of any of the conditions of the Exchange Offer specified in the Prospectus under the caption "Exchange Offer -- Certain Conditions to the Exchange Offer." The Company will give oral (confirmed in writing) or written notice of any amendment, termination or nonacceptance to you as promptly as practicable.

In carrying out your duties as Exchange Agent, you are to act in accordance with the following instructions:

1. You will perform such duties and only such duties as are specifically set forth in the section of the Prospectus captioned "Exchange Offer" or as specifically set forth herein; provided, however, that in no way will your  
-----  
general duty to act in good faith be discharged by the foregoing.

2. You will establish an account with respect to the Initial Debentures at The Depository Trust Company (the "Book-Entry Transfer Facility") for purposes of the Exchange Offer within two business days after the date of the Prospectus, and any financial institution that is a participant in the Book-Entry Transfer Facility's systems may make book-entry delivery of the Initial Debentures by causing the Book-Entry Transfer Facility to transfer such Initial Debentures into your account in accordance with the Book-Entry Transfer Facility's procedure for such transfer.

3. You are to examine each of the Letters of Transmittal and certificates for Initial Debentures (or confirmation of book-entry transfer into your account at the Book-Entry Transfer Facility) and any other documents delivered or mailed to you by or for holders of the Initial Debentures to ascertain whether: (i) the Letters of Transmittal and any such other documents are duly executed and properly completed in accordance with instructions set forth therein and (ii) the Initial Debentures have otherwise been properly tendered. In each case where the Letter of Transmittal or any other document has been improperly completed or executed or any of the certificates for Initial Debentures are not in proper form for transfer or some other irregularity in connection with the acceptance of the Exchange Offer exists, you will endeavor to inform the presenters of the need for fulfillment of all requirements and to take any other action as may be necessary or advisable to cause such irregularity to be corrected.

4. With the approval of the Chief Executive Officer, Chief Financial Officer or Senior Vice President and Secretary of the Company (such approval, if given orally, to be confirmed in writing) or any other party designated by such an officer in writing, you are authorized to waive any irregularities in connection with any tender of Initial Debentures pursuant to the Exchange Offer.

5. Tenders of Initial Debentures may be made only as set forth in the Letter of Transmittal and in the section of the Prospectus captioned "Exchange Offer -- Procedures for Tendering Initial Debentures", and Initial Debentures shall be considered properly tendered to you only when tendered in accordance with the procedures set forth therein.

Notwithstanding the provisions of this paragraph 5, Initial Debentures which the Chief Executive Officer, Chief Financial Officer or Senior Vice President and Secretary of the Company shall approve as having been properly tendered shall be considered to be properly tendered (such approval, if given orally, shall be confirmed in writing).

6. You shall advise the Company with respect to any Initial Debentures received subsequent to the Expiration Date and accept its instructions with respect to disposition of such Initial Debentures.

7. You shall accept tenders:

(a) in cases where the Initial Debentures are registered in two or more names only if signed by all named holders;

(b) in cases where the signing person (as indicated on the Letter of Transmittal) is acting in a fiduciary or a representative capacity only when proper evidence of his or her authority so to act is submitted; and

(c) from persons other than the registered holder of Initial Debentures provided that customary transfer requirements (including those imposed by the Indenture), including any applicable transfer taxes, are fulfilled.

You shall accept partial tenders of Initial Debentures where so indicated and as permitted in the Letter of Transmittal and return any untendered Initial Debentures to the holder (or such other person as may be designated in the Letter of Transmittal) as promptly as practicable after expiration or termination of the Exchange Offer.

8. Upon satisfaction or waiver of all of the conditions to the Exchange Offer, the Company will notify you (such notice if given orally, to be confirmed in writing) of its acceptance, promptly after the Expiration Date, of all Initial Debentures properly tendered and you, on behalf of the Company, will exchange such Initial Debentures for Exchange Debentures and cause such Initial Debentures to be cancelled. Delivery of Exchange Debentures will be made on behalf of the Company by you at the rate of

\$1,000 principal amount of Exchange Debentures for each \$1,000 principal amount of the corresponding series of Initial Debentures tendered promptly after notice (such notice if given orally, to be confirmed in writing) of acceptance of said Initial Debentures by the Company; provided, however, that in all cases, Initial

-----  
Debentures tendered pursuant to the Exchange Offer will be exchanged only after timely receipt by you of certificates for such Initial Debentures (or confirmation of book-entry transfer into your account at the Book-Entry Transfer Facility), a properly completed and duly executed Letter of Transmittal (or facsimile thereof) with any required signature guarantees and any other required documents. You shall issue Exchange Debentures only in denominations of \$1,000 or an integral multiple thereof.

9. Tenders pursuant to the Exchange Offer are irrevocable, except that, subject to the terms and upon the conditions set forth in the Prospectus and the Letter of Transmittal, Initial Debentures tendered pursuant to the Exchange Offer may be withdrawn at any time prior to 5:00 p.m., New York City time, on the business day prior to the Expiration Date.

10. The Company shall not be required to exchange any Initial Debentures tendered if any of the conditions set forth in the Exchange Offer are not met. Notice of any decision by the Company not to exchange any Initial Debentures tendered shall be given (and confirmed in writing) by the Company to you.

11. If, pursuant to the Exchange Offer, the Company does not accept for exchange all or part of the Initial Debentures tendered because of an invalid tender, the occurrence of certain other events set forth in the Prospectus under the caption "Exchange Offer -- Certain Conditions to the Exchange Offer" or otherwise, you shall as soon as practicable after the expiration or termination of the Exchange Offer return those certificates for unaccepted Initial Debentures (or effect appropriate book-entry transfer), together with any related required documents and the Letters of Transmittal relating thereto that are in your possession, to the persons who deposited them.

12. All certificates for reissued Initial Debentures, unaccepted Initial Debentures or for Exchange Debentures shall be forwarded by first-class mail.

13. You are not authorized to pay or offer to pay any concessions, commissions or solicitation fees to any broker, dealer, bank or other persons or to engage or utilize any person to solicit tenders.

14. As Exchange Agent hereunder you:

(a) shall have no duties or obligations other than those specifically set forth herein or as may be subsequently agreed to in writing by you and the Company;

(b) will be regarded as making no representations and having no responsibilities as to the validity, sufficiency, value or genuineness of any of the certificates or the Initial Debentures represented thereby deposited with you pursuant to the Exchange Offer, and will not be required to and will make no representation as to the validity, value or genuineness of the Exchange Offer;

(c) shall not be obligated to take any legal action hereunder which might in your reasonable judgment involve any expense or liability, unless you shall have been furnished with reasonable and customary indemnity;

(d) may reasonably rely on and shall be protected in acting in reliance upon any certificate, instrument, opinion, notice, letter, telegram or other document or security delivered to you and reasonably believed by you to be genuine and to have been signed by the proper party or parties;

(e) may reasonably act upon any tender, statement, request, comment, agreement or other instrument whatsoever not only as to its due execution and validity and effectiveness of its provisions, but also as to the truth and accuracy of any information contained therein, which you shall in good faith believe to be genuine or to have been signed or represented by a proper person or persons;

(f) may rely on and shall be protected in acting upon written or oral instructions from the Chief Executive Officer, Chief Financial Officer and Senior Vice President and Secretary of the Company;

(g) may consult with your counsel with respect to any questions relating to your duties and responsibilities and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by you hereunder in good faith and in accordance with the advice or opinion of such counsel; and

(h) shall not advise any person tendering Initial Debentures pursuant to the Exchange Offer as to the wisdom of making such tender or as to the market value or decline or appreciation in market value of any Initial Debentures.

15. You shall take such action as may from time to time be requested by the Company or its counsel (and such other action as you may reasonably deem appropriate) to furnish copies of the Prospectus, Letter of Transmittal and the Notice of Guaranteed Delivery (as defined in the Prospectus) or such other forms as may be approved from time to time by the Company, to all persons requesting such documents and to accept and comply with telephone requests for information relating to the Exchange Offer,

provided that such information shall relate only to the procedures for accepting

- - - - -

(or withdrawing from) the Exchange Offer. The Company will furnish you with copies of such documents at your request. All other requests for information relating to the Exchange Offer shall be directed to the Company, Attention: Secretary.

16. You shall advise by facsimile transmission or telephone, and promptly thereafter confirm in writing to the Chief Financial Officer of the Company, its counsel Bingham Dana LLP, and such other person or persons as it may request, daily (and more frequently during the week immediately preceding the Expiration Date and if otherwise requested) up to and including the Expiration Date, as to the number of Initial Debentures which have been tendered pursuant to the Exchange Offer and the items received by you pursuant to this Agreement, separately reporting and giving cumulative totals as to items properly received and items improperly received. In addition, you will also inform, and cooperate in making available to, the Company, its counsel Bingham Dana LLP, or any such other person or persons upon oral request made from time to time prior to the Expiration Date of such other information as it or he or she reasonably requests. Such cooperation shall include, without limitation, the granting by you to the Company and such person as the Company may request of access to those persons on your staff who are responsible for receiving tenders, in order to ensure that immediately prior to the Expiration Date the Company shall have received information in sufficient detail to enable it to decide whether to extend the Exchange Offer. You shall prepare a final list of all persons whose tenders were accepted, the aggregate principal amount of Initial Debentures tendered, the aggregate principal amount of Initial Debentures accepted and deliver said list to the Company and Bingham Dana LLP.

17. Letters of Transmittal and Notices of Guaranteed Delivery shall be stamped by you as to the date and the time of receipt thereof and shall be preserved by you for a period of time at least equal to the period of time you preserve other records pertaining to the transfer of securities. You shall dispose of unused Letters of Transmittal and other surplus materials by returning them to the Company.

18. You hereby expressly waive any lien, encumbrance or right of set-off whatsoever that you may have with respect to funds deposited with you for the payment of transfer taxes by reasons of amounts, if any, borrowed by the Company, or any of its subsidiaries or affiliates pursuant to any loan or credit agreement with you or for compensation owed to you hereunder.

19. For services rendered as Exchange Agent hereunder, you shall be entitled to such compensation as set forth on Schedule I attached hereto.

- - - - -

20. You hereby acknowledge receipt of the Prospectus and the Letter of Transmittal and further acknowledge that you have examined each of them. Any

inconsistency between this Agreement, on the one hand, and the Prospectus and the Letter of Transmittal (as they may be amended from time to time), on the other hand, shall be resolved in favor of the latter two documents, except with respect to the duties, liabilities and indemnification of you as Exchange Agent, which shall be controlled by this Agreement.

21. The Company covenants and agrees to indemnify and hold you harmless in your capacity as Exchange Agent hereunder against any loss, liability, cost or expense, including attorneys' fees and expenses, arising out of or in connection with any act, omission, delay or refusal made by you in reliance upon any signature, endorsement, assignment, certificate, order, request, notice, instruction or other instrument or document reasonably believed by you to be valid, genuine and sufficient and in accepting any tender or effecting any transfer of Initial Debentures reasonably believed by you in good faith to be authorized, and in delaying or refusing in good faith to accept any tenders or effect any transfer of Initial Debentures; provided, however, that the Company

-----  
shall not be liable for indemnification or otherwise for any loss, liability, cost or expense to the extent arising out of your negligence, bad faith or willful misconduct. In no case shall the Company be liable under this indemnity with respect to any claim against you unless the Company shall be notified by you, by letter or by facsimile confirmed by letter, of the written assertion of a claim against you or of any other action commenced against you, promptly after you shall have received any such written assertion or notice of commencement of action. The Company shall be entitled to participate at its own expense in the defense of any such claim or other action, and, if the Company so elects, the Company shall assume the defense of any suit brought to enforce any such claim. In the event that the Company shall assume the defense of any such suit, the Company shall not be liable for the fees and expenses of any additional counsel thereafter retained by you so long as the Company shall retain counsel satisfactory to you to defend such suit, and so long as you have not determined, in your reasonable judgment, that a conflict of interest exists between you and the Company.

22. You shall arrange to comply with all requirements under the tax laws of the United States, including those relating to missing Tax Identification Numbers, and shall file any appropriate reports with the Internal Revenue Service. The Company understands that you are required to deduct 31% on payments to holders who have not supplied their correct Taxpayer Identification Number or required certification. Such funds will be turned over to the Internal Revenue Service in accordance with applicable regulations.

23. You shall deliver or cause to be delivered, in a timely manner to each governmental authority to which any transfer taxes are payable in respect of the exchange of Initial Debentures, the Company's check in the amount of all transfer taxes so payable, and the Company shall reimburse you for the amount of any and all transfer

taxes payable in respect of the exchange of Initial Debentures; provided,  
-----  
however, that you shall reimburse the Company for amounts refunded to you in  
-----  
respect of your payment of any such transfer taxes, at such time as such refund  
is received by you.

24. This Agreement and your appointment as Exchange Agent hereunder shall be construed and enforced in accordance with the laws of the State of New York applicable to agreements made and to be performed entirely within such state, and without regard to conflicts of law principles, and shall inure to the benefit of, and the obligations created hereby shall be binding upon, the successors and assigns of each of the parties hereto.

25. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

26. In case any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

27. This Agreement shall not be deemed or construed to be modified, amended, rescinded, cancelled or waived, in whole or in part, except by a written instrument signed by a duly authorized representative of the party to be charged. This Agreement may not be modified orally.

28. Unless otherwise provided herein, all notices, requests and other communications to any party hereunder shall be in writing (including facsimile or similar writing) and shall be given to such party, addressed to it, at its address or telecopy number set forth below:
